FULL-TIME POST-SECONDARY PROGRAMS

Our programs provide exceptional learning opportunities, student support and industry connections to prepare you for career success. For the latest details, visit fanshawec.ca/simcoe.

Adventure Expeditions and Interpretive Leadership

Diploma (60 weeks)

Apply now for September

If you have the mind for business, a passion for nature and a love of adventure, then this program is meant for you. You'll learn the ins and outs of the growing eco tourism industry. By graduation, you'll have expertise to design programming, lead nature expeditions, manage authentic learning experiences and even build your own business! For more information, visit **fanshawec.ca/ael2j**

Agri-Business Management

Graduate Certificate (36 weeks)

Apply now for May or January

This exciting program is for those wanting to enter a career in the dynamic agricultural sector at the supervisory level or to manage relationships in an agri-business environment. From farm to fork and everything in between, graduates will have the opportunity to seek employment in a wide variety of agricultural businesses within one year! For more information, visit **fanshawec.ca/agm2**

Developmental Services Worker

Diploma (Accelerated 48 weeks)

Starts every 6 weeks – apply now!

If you have a passion for others, this program will show you how to properly care for people with developmental disabilities in only one year. Program starts every 6 weeks! Combine with ECE and complete both programs in 18 months! For more information, visit **fanshawec.ca/dsw5j**

Early Childhood Education

Diploma (Accelerated 48 weeks)

Starts every 6 weeks – apply now!

Your love for child development can translate into a rewarding career of Early Childhood Education. You'll be ready to help shape the minds of our next generation in only one year. Program starts every 6 weeks! Combine with DSW and complete both programs in 18 months! For more information, visit **fanshawec.ca/ece5j**

Personal Support Worker

Certificate (30 weeks)

Apply now for May, September, or January

A compassionate heart is what is needed in this 8-month program. Learn how to care for people in need, such as the elderly, the chronically ill and people with physical disabilities. This program will start your path to a high-demand career working in long-term care facilities, retirement homes, hospitals or community agencies. For more information, visit **fanshawec.ca/psw6**

Practical Nursing

Diploma (63 weeks)

Practical nurses in Ontario play an integral role in the health care sector by administering some medications, performing medical procedures, and promoting healthy lifestyle choices to patients, families and caregivers. If you're excited about the opportunity to begin an in-demand career built on respect and a highly specialized set of skills, Fanshawe's Practical Nursing program will move you closer to your dream. For more information, visit **fanshawec.ca/png5**

Social Service Worker

Diploma (60 weeks)

Apply now for May, September, or January

This two-year Social Service Worker program is designed to prepare students for basic social work practice in social agencies and social welfare programs by providing them with a sound knowledge of human behaviour, individual and social problems, and of the necessary helping techniques and skills. For more information, visit **fanshawec.ca/ssw1**

Supply Chain Management (Co-op)

Graduate Certificate (30 weeks)

Apply now for May or January

This one year post-grad supply chain management certification is designed for university and college graduates looking to specialize in supply chain and logistics. You will be trained to join private or public sectors in the areas of goods and services sourcing, transportation coordinating, and inventory and distribution management. You will also learn how to analyze using computer software and accounting skills, how to communicate in a professional manner, how to assess risk, and how to develop your negotiating skills. For more information, visit **fanshawec.ca/scm2**

Welding Techniques

Certificate (30 weeks)

Apply now for September or January

Learn a wide range of welding skills in both the classroom and in the real world. This 8-month certificate, which includes a 120-hour work placement, prepares you to write your welding tickets and to begin working in this high-demand field. For more information, visit **fanshawec.ca/WTQ1J**

Basic Life Support (BLS)

HLTH-9340-01SC $75 + HST

Thursday, June 5, 5 – 9 p.m.

Designed for in-facility care providers such as nursing staff, care aides, medical and dental professionals, and pre-hospital care providers. This course takes the place of the former HCP Level of Standard First Aid / CPR and will be required for PSW students to take their placements. Upon successful completion, students will receive 1 year certification in Basic Life Support from Red Cross.

Principals of Accounting 1

ACCT-1100-10SC $297.40 + text ✱

May 6 – Aug 12 | Tuesdays 6 – 9 p.m.

Part of the Accounting Essentials certificate program. This course introduces the student to the Principles of Accounting, and includes an exploration of the underlying concepts that guide the preparation of accounts for individuals and organizations. It is designed to teach the student, regardless of program destination, an essential life skill — an understanding of Net Worth, and its importance to business success and the financial well being of the individual.

Applied Computer App's for Accounting 1

ACCT-1097-10SC $297.40 + text ✱

May 7 – Aug 13 | Wednesdays 6 – 9 p.m.

Part of the Accounting Essentials certificate program. This course provides students with computer and accounting software skills with specific focus on Microsoft Excel. Throughout the course, emphasis is put on software utilization within accounting situations and use of accounting specific functions.

FANSHAWE

MICRO-CREDENTIALS

Shorter in duration, and developed based on industry demand, micro-credentials are the perfect way to develop specific skills and help you grow in your career.

- Earn digital badges when you complete your training;
- Stack your badges to level-up your training and earn series badges to demonstrate your mastery in a specific area;
- Share your badges on social platforms to enhance your profile in job searches.

Risky Play and Safety in Outdoor Education

EDUC-1106-40JMC $285 ●

Continuous Intake

This micro-credential will provide students with the necessary knowledge, skills, and experiences to initiate and develop an outdoor education program that supports risky play, self-regulation and safety among children. You will explore the education theories of risky play and self-regulation, while also providing the skills necessary to develop a safe outdoor education program. Curriculum topics include, self-regulation, risky play, risk management and safety. Class hours: 20

The Outdoor Classroom

EDUC-1107-40JMC $490 ●

Continuous Intake

This micro-credential will provide students with the necessary knowledge and skills to initiate and design an outdoor classroom for children. You will explore experiential education theories and hands-on methodologies. Curriculum topics will include outdoor education pedagogy, loose parts and natural materials, designing an outdoor classroom, etc. Total class hours: 40.

Additional Qualifications (AQ)

Fanshawe College is excited to deliver Additional Qualifications (AQs) through the Ontario College of Teachers (OCT)

RECONNECT WITH NATURE

Outdoor & Wildlife Photography

PHOT-9084-01SC $149 + HST ■

Saturday, May 3 & Saturday, May 10 | 9 a.m. – 1 p.m.

Capture the beauty of nature through your lens in this two-part course designed for outdoor and wildlife photography enthusiasts. You will learn key photography techniques, including composition, lighting, camera settings, and ethical wildlife photography practices. This course blends classroom instruction with a field experience on local trails and a visit to the Canadian Raptor Conservancy, where you'll have the unique opportunity to photograph birds of prey up close. Whether you're using a DSLR or a smartphone, this course will equip you with the skills to take stunning images of landscapes, wildlife, and the natural world while improving your creative vision.

May 3 class is at the Simcoe Campus: 634 Ireland Rd, Simcoe.
May 10 class is at the Canadian Raptor Conservancy: 2848 Front Rd, Vittoria.
Please bring your own lunch and water. A notepad is optional. You may bring your own Digital SLR camera. If you don't have one, a loaner will be provided.

Birdwatching for Beginners

ENVR-9004-01SC $149 + HST ■

Saturday, May 24 | 9 a.m. – 5:30 p.m.

Immerse yourself in the world of birds with this full day introduction to birdwatching. Set in the heart of the Carolinian Zone, one of Canada's richest regions for bird diversity, you will learn how to identify local birds, understand their behaviours, and use binoculars and field guides effectively. As part of the most important migratory bird route in eastern North America, this region offers incredible opportunities to observe seasonal bird movements and rare species. Whether you're looking to enhance your outdoor experience or start a new hobby, this hands-on course will help you develop the skills and confidence to appreciate birds in their natural habitats.

Note: Please meet at Birds Canada: 115 Front Rd, Port Rowan. Please bring your own lunch and water. You can bring your own binoculars. If you don't have any, a loaner will be provided.

Navigation & Bushcraft Skills

ENVR-9005-01SC $249+ HST ■

Saturday, June 14 & Saturday, June 21 | 9 a.m. – 2:30 p.m.

Gain essential outdoor survival skills in this hands-on course, running over two consecutive Saturdays. Learn how to navigate using maps, compasses, and natural landmarks while developing key bushcraft techniques such as fire-craft, knife-craft, and shelter building. Perfect for hikers, campers, and outdoor enthusiasts looking to boost their confidence and self-sufficiency in the wild, this course provides practical experience and essential skills for thriving in nature.

June 14 class is at the Simcoe Campus: 634 Ireland Rd, Simcoe
June 21 class is at Long Point Eco-Adventures: 1730 Front Rd, Turkey Point

Please bring your own lunch and water. A notepad is optional. All supplies will be provided for this course.

Nature Hike & Photography

PHOT-9085-01SC $49 + HST ■

Thursday, July 10 | 6 – 9 p.m.

Join us for an immersive outdoor photography experience! This guided 3 hour hike will combine hands-on photography instruction with time in nature, helping you capture breathtaking landscapes, wildlife, and intricate nature details. Learn techniques for shooting in natural light, framing dynamic compositions, and making the most of your camera while exploring scenic trails. Perfect for photographers of all levels looking to refine their skills in a real-world outdoor setting.

Please meet at Backus North Parking: 218 Norfolk County Highway 24, Walsingham. It is recommended to bring a snack and water. A notepad is optional. If you do not have your own Digital SLR camera, a loaner will be provided.

MENTAL HEALTH

ASIST (Applied Suicide Intervention Skills Training)

HLTH-9345-01SC $249 + HST ■

May 3 – May 4 | 9 a.m. – 5 p.m.

ASIST is a two day interactive workshop in suicide first aid. ASIST teaches participants to recognize when someone, (ages 15 to 100 years of age), may have thoughts of suicide. Successful participants will then work with the person to create a plan that will support their immediate safety. Involves role playing, group work, and full participation.

ASK (Assessing Suicide in Kids)

HLTH-9346-01S $179 + HST ■

Jun 7 – Jun 8 | 9 a.m. – 1 p.m

ASK is an evidence-informed and highly interactive suicide prevention training. Done online through a live Zoom lecture, the ASK Workshop addresses suicide risk in children ages 5 to 14. It gives participants strategies and tools to identify young children at risk of suicide and to quickly gather and organize key details needed to assess risk and inform safety planning.

safeTALK

HLTH-9347-01SC $149+ HST ■

Wednesday, June 25 | 5 – 9 p.m.

safeTALK training focuses on using the TALK steps—Tell, Ask, Listen, Keep Safe—to engage persons with thoughts of suicide and help connect them with life-affirming resources, while using ASIST (Applied Suicide Intervention Skills Training) skills helps these resources provide safety from suicide for now.

Empathic Strain Training

HLTH-9348-01SC $149 + HST ■

Thursday, June 26 | 5 – 9 p.m.

This training is for people who work in any kind of helping profession: Child and Youth Workers, Social Workers, Teachers, etc. You will learn to understand the concepts of Compassion Fatigue, Vicarious Trauma, Secondary Trauma, Burn Out, and Moral Distress.

MHFA (Mental Health First Aid)

HLTH-260-01SC $249 + HST ■

Monday, June 23 | 9 a.m. – 5 p.m.

Just as a physical aid is administered to an injured person, MHFA teaches you how to help someone showing signs of a mental health problem or experiencing a mental health crisis. It also provides an overview of common mental health problems, causes, symptoms, treatments and referrals. This course is designed for anyone who may come into contact with a person with a mental health problem.

GENERAL INTEREST COURSES

Your learning never has to stop. Whether you'd like to upgrade your skills for employment or want to learn something new for fun, we've got something for everybody.

Conversational Spanish 1
SPAN-9004-01SC $215 + HST + text ✱
May 6 – Jul 8 | Tuesdays, 6:30 – 9 p.m.

This course is for the beginner student who wants to gain basic knowledge of the Spanish language. The main goal of this level is vocabulary building, basic phonetics, and understanding the base of the language. This basic course is useful for people who are planning to do business or visit Spanish speaking countries.

Conversational Spanish 2
SPAN-9021-01SC $215+ HST ✱
May 8 – Jul 10 | Thursdays, 6:30 – 9 p.m.

This course builds on the skills acquired in Conversational Spanish 1. It is for the intermediate level student who wants to expand their knowledge of the Spanish language. The main goal of this level is expanding vocabulary, phonetics and the familiarity with the language.

Digital Camera Basics – Level 1
PHOT-9016-01SC $75 + HST ■

GENERAL INTEREST COURSES (CONTINUED)

MS Office Clinic
COMP-9707-01SC $129 + HST ■
Jun 2 – Jun 16 | Mondays 6 – 9 p.m.

Microsoft Office is a set of desktop applications that offer flexible and powerful ways to organize, manage and present information. Most commonly used in an office setting, knowledge of MS Office tools are a must for anyone in today's job market. MS Office helps to improve work efficiency with user friendly features that enable easy and secure information sharing. This software provides resources for professional presentation of data that is compatible with most operating systems. Whether you are looking to expand your MS Office skills for personal use, embarking on a new career or working towards career advancement, this training is what you are looking for!

Auto Basics
AUTO-9018-01SC $199 + HST ✱
Jun 7 – Jun 14 | Saturdays 9 a.m. – 3 p.m.

Learn about basic car maintenance to feel more comfortable around your vehicle. Topics covered include changing tires, filters, coolant levels, jumpstarting your car, oil changes, and being comfortable with what's under the hood.
Location: Holy Trinity Catholic High School in Simcoe.

Welding Technology
WELD-9043-01SC $699.00 + HST ✱
May 6 – Jul 8 | Tuesdays 6 – 9 p.m.

This non-graded course will be a combination of technique and hands-on learning based on your skill level. Everyone from beginners to experienced welders are welcome, whether it's to learn the basics of the trade from a certified welder or to enhance their skills and have use of our weld shop. This is also the perfect opportunity to practice and prepare for CWB tickets.

Note: Students must provide their own gloves, six inch safety boots, safety glasses, pliers, chipping hammer and welding helmet.

Woodworking Basics – Level 1
WOOD-9025-01SC $165+ HST ■
Saturday, May 10, 9 a.m. – 4 p.m.

A fun course designed to expose beginners to woodworking in a safe and positive environment. You will learn to safely use hand tools and power tools to complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.

Woodworking Basics – Level 2
WOOD-9026-01SC $175 + HST ■
Saturday, May 24, 9 a.m. – 4 p.m.

This workshop will build on the skills learned in the Level 1 class and encourage students to use woodworking tools in a safe and positive environment. You will again learn new skills and complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.

Woodworking Basics for Teens
WOOD-9027-01SC $175 + HST ■
Saturday, May 31, 9 a.m. – 4 p.m.

Similar to our Woodworking Basics - Level 1 class, but for those in the 13–17 age range. This is a fun course designed to expose youth to woodworking in a safe and positive environment. You will learn to safely use hand tools and power tools to complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.
