Summer ESL + Career Exploration Program

Fanshawe offers you a unique opportunity to learn English and Canadian culture, and also to gain an understanding of the career paths available through the College's academic programming.

Whether you are considering a diploma, advanced diploma, or degree option, Fanshawe College has a wide range of options for you to choose from in a number of exciting and promising fields of study.

Fanshawe College also offers a number of pathways to other post-secondary programming, including bachelor degrees at Canadian universities like Western University, University of Toronto, and University of Ottawa.

If you are interested in learning more about Canada and the educational opportunities that may exist for you here, this program is for you!

The Summer ESL + Career Exploration Program includes the following components:

English as a Second Language (ESL)

The English as a Second Language (ESL) program is provided through Fanshawe College's English Language Institute, which is fully accredited by Languages Canada. It provides an opportunity for

you to improve your English language ability while meeting students from all over the world. Included in the program is 15 hours of ESL instruction per week. You will develop your skills in grammar, reading and writing, listening and speaking, and pronunciation. Course materials will be provided to you.

Canadian Culture

Let us introduce you to Canadian culture through afternoon activities and weekend excursions to some of Canada's most famous destinations, including Toronto and Niagara Falls. Visit some of our Great Lakes and experience Canadian wildlife first hand.

Explore your Career Options!

You have so many decisions to make regarding your career. We will provide you with a first-hand look at the different industries and careers available through the academic programming offered at Fanshawe College and through our partner institutions in Canada and around the world. Tours, lectures, and demonstrations by industry professionals are all included in the Summer ESL + Career Exploration Program!

Last year I spent three weeks at Fanshawe's ESL and Career Exploration summer program – and it was the best three weeks ever! It helped me make important decisions about my future, as well as increase my English level and meet lots of new friends from all over the world. I'm currently enrolled at Fanshawe in the Business Marketing Diploma, and really looking forward to the next 2 years.
