Falcons Host Quadruple Header to Launch Volleyball and Basketball Regular Seasons

(London, Ontario) – The Fanshawe Falcons Volleyball and Basketball regular seasons open at home with a ton of action on Saturday, October 25th at the Glenn Johnston Athletic Centre.

The quadruple header will see the Fanshawe volleyball programs kick off the day versus the Mohawk Mountaineers. New Falcons Head Coach Sean Pellow will make his regular season debut as the Women play at 1pm, while the Men's match at 3pm features a showdown between last season's OCAA gold (Mohawk) and bronze (Fanshawe) medalists.

In the evening, the basketball programs take to the court to face the Sheridan Bruins. The Falcons Women face a key early season test as they play at 6pm, with the Men set to tip-off at 8pm against the 2-time defending OCAA Champions and last season's National bronze medalists. Admission to all games is free.
