ACADEMIC UPGRADING

Academic Upgrading includes **GED** – a Grade 12 equivalency program, **ACE** – Academics for College Entrance, and **general upgrading** for personal improvement for any purpose.

These include English, Math, Science, Computers, etc., which are offered in a positive, comfortable, informal, self-paced adult environment where learners start at their own level, proceed at their pace, and complete when they have achieved their required or desired goals.

Courses are extremely flexible, available in **St. Thomas** and **Aylmer**, **daytime** and/or **evening**, **part time** or **full time** – including working around irregular shifts.

Training is **FREE**, texts are supplied, and **childcare as well as transportation subsidies** may be available.
