

Pathway to Teacher's College

Honours Bachelor of Early Childhood Leadership
to Bachelor of Education at Western University

The Pathway

Fanshawe's General Education Electives—a requirement of your degree—can provide you with a pathway to a Bachelor of Education from Western University.

Western University requires students to complete at least *one course in four or more* of these subject areas:

- English
- Fine Arts
- Social Sciences/Humanities
- Mathematics
- Science General
- Health & Physical Education

Fanshawe offers many General Education Electives which map to these subject areas:

- Intro to Children's Literature (English)
- Avant Garde Art (Fine Arts)
- Social Intelligence (Social Science)
- Perspectives on Sport (Health & Phys Ed)
- Plus more...

Start Planning Now!

Identify what courses you need to graduate from Fanshawe and to take advantage of this pathway.

This information is subject to change. Please consult Fanshawe College's School of Language and Liberal studies for pathway details, and edu.uwo.ca for Western University's current admission requirements.

Thinking Bachelor of Education?

Fanshawe College offers many elective courses that meet **Western University's Bachelor of Education (Primary-Junior)** admission requirements.

When selecting General Education Electives to graduate from your Honours Bachelor of Early Childhood Leadership degree you can *also* meet the requirements for preferred admission to Western University's program.
