1. PURPOSE
The purpose of the International Advisory Committee ("the Committee") is to provide insight, feedback, advice, and recommendations to the Dean, International ("the Chair"). This advice supports the College’s Internationalization goals and commitments, including the Signature Innovative Learning Experience and Job Skills of the Future to provide a Global Outlook to meet student and employer needs. The advice relates to the College’s Internationalization operations, recruitment and market development, international student engagement, exchange, and associated projects. The advice assists the Dean in ensuring alignment of human and financial resources to achieve these goals.

2. DEFINITIONS
Global Outlook: The enabling of effective and responsible engagement in a multicultural and globalizing world.

Global Citizenship: The creation of an awareness of the wider world and our place in it, as shown in Commitment 5 of the Job Skills of the Future, Innovation Village.

Global Projects: An integral component of a student’s Signature Innovative Learning Experience (SILEX), Innovation Village. Within the program curriculum, individual students or teams work within a Canadian or international organization to address a global problem or opportunity. Students demonstrate their learning in a vocation area and deliver value to an external partner. Students may work with students at other domestic or international institutions, but the global focus of the project is its defining feature.

Internationalization: The intentional process of integrating an international, intercultural, or global dimension into the purpose, functions and delivery of post-secondary education, in order to enhance the quality of education and research for all student and staff, and to make a meaningful contribution to the society.
