ABOUT FANSHAWE

Fanshawe is a comprehensive college serving the greater London region by providing flexible learning arrangements and experiential education opportunities developed in response to labour market needs. One of Ontario's largest colleges, Fanshawe serves close to half a million people with a promise to educate, engage, empower and excite.

Fanshawe offers more than 200 degrees, diplomas, certificates and apprenticeship programs to 43,000 students each year, helping people unlock their potential and achieve success in a variety of disciplines including applied arts, business, health care, human services, hospitality and technology.

Fanshawe also plays an important role in providing re-skilling and skill upgrading opportunities for mature learners through the design and delivery of custom training for federally and provincially sponsored trainees, community organizations, sectoral training councils and private sector employers in the business, health, industrial and services sectors.
