WHY STUDY IN SIMCOE?

There are many benefits to studying at a smaller campus:

- Programs designed to prepare you for high demand careers in our community
- Small classes with easier access to faculty experts and student supports
- Strong partnerships with regional employers
- Familiar faces and fun campus activities to add to your student experience
- Lower fees and free parking

IN THIS ISSUE:
4 Post-secondary programs
7 Short-term training programs
12 Professional development courses
15 General interest courses
POST-SECONDARY PROGRAMS

Our programs provide exceptional learning opportunities, student support and industry connections to prepare you for career success. For the latest details, visit fanshawec.ca/simcoe.

Adventure Expeditions and Interpretive Leadership
Diploma (60 weeks)
Apply now for September
If you have the mind for business, a passion for nature and a love of adventure, then this program is meant for you. You’ll learn the ins and outs of the growing eco tourism industry. By graduation, you’ll have expertise to design programming, lead nature expeditions, manage authentic learning experiences and even build your own business!

Developmental Services Worker
Diploma (Accelerated 48 weeks)
Starts every 6 weeks – apply now!
If you have a passion for others, this program will show you how to properly care for people with developmental disabilities in only one year. Program starts every 6 weeks! Combine with ECE and complete both programs in 18 months!

Early Childhood Education
Diploma (Accelerated 48 weeks)
Starts every 6 weeks – apply now!
Your love for child development can translate into a rewarding career of Early Childhood Education. You’ll be ready to help shape the minds of our next generation in only one year. Program starts every 6 weeks! Combine with DSW and complete both programs in 18 months!

Personal Support Worker
Certificate (30 weeks)
Apply now for September or January
A compassionate heart is what is needed in this 8-month program. Learn how to care for people in need, such as the elderly, the chronically ill and people with physical disabilities. This program will start your path to a high-demand career working in long-term care facilities, retirement homes, hospitals or community agencies.

Agri-Business Management
Graduate Certificate (36 weeks)
Apply now for January
This exciting program is for those wanting to enter a career in the dynamic agricultural sector at the supervisory level or to manage relationships in an agri business environment. From farm to fork, and everything in between, graduates will have the opportunity to seek employment in a wide variety of agricultural businesses within one year!
Three great reasons to take MyPath®
Flexible delivery | 1-on-1 dedicated support
Train for in-demand careers

FOOD SERVICE WORKER
This certificate program will provide students with the skills and abilities required to perform effectively in institutional food preparation settings, whether in hospital or long-term care facilities. Students will proceed through the academic portion of the program to food preparation and service, nutrition and sanitary practices in the workplace. The program includes a mandatory field placement (80 hours) for individuals in a hospital or long-term care setting.

HUMAN RESOURCES ESSENTIALS
This program satisfies the core components of human resources management and is for those who want to expand or update their skills, or enter into a variety of careers managing people and organizations. Many of these courses provide a practical approach and are specifically designed to prepare graduates to write the examinations set by the Human Resources Professionals Association for the CHRP designation. Courses are blended online with the first and last class on campus or available as a live feed.

MICROCREDENTIALS

Shorter in duration, and developed based on industry demand, microcredentials are the perfect way to develop specific skills and help you grow in your career.

- Earn digital badges when you complete your training;
- Stack your badges to level-up your training and earn series badges to demonstrate your mastery in a specific area;
- Share your badges on social platforms to enhance your profile in job searches.

Risky Play and Safety in Outdoor Education  
EDUC-1106-40JMC
Continuous Intake – Contact us to register

This microcredential will provide students with the necessary knowledge, skills, and experiences to initiate and develop an outdoor education program that supports risky play, self-regulation and safety among children. You will explore the education theories of risky play and self-regulation, while also providing the skills necessary to develop a safe outdoor education program. Curriculum topics include, self-regulation, risky play, risk management and safety. Class hours: 20

The Outdoor Classroom  
EDUC-1107-40JMC
Continuous Intake – Contact us to register

This microcredential will provide students with the necessary knowledge and skills to initiate and design an outdoor classroom for children. You will explore experiential education theories and hands-on methodologies. Curriculum topics will include, outdoor education pedagogy, loose parts and natural materials, designing an outdoor classroom, etc. Total class hours: 40.
Your learning never has to stop. Whether you’d like to upgrade your skills for employment or want to learn something new for fun, we’ve got something for everybody.

**Healing Trauma through Art Therapy**  
**ARTS-1109-40SC**  
$375 + HST  
Oct 2 – Dec 22

Person-centred art therapy combines person-centred techniques with creative art elements, allowing clients to go beyond words, and providing a safe environment where individuals can draw upon their inner resources. Practicing art therapy in a humanistic way helps facilitate growth and healing while practicing various forms of art, including moving, drawing, sculpting, and writing. This is a self-paced online course to be taken through the Fanshawe Online portal.

**Conversational Spanish 1**  
**SPAN-9004-01SC**  
$215 + HST  
Oct 3 – Dec 5 | Tue 6:30 – 9 p.m.

This course is for the beginner student who wants to gain basic knowledge of the Spanish language. The main goal of this level is vocabulary building, basic phonetics, and understanding the base of the language. This basic course is useful for people who are planning to do business or visit Spanish speaking countries.

**Conversational Spanish 2**  
**SPAN-9021-01SC**  
$235 + HST  
Oct 5 – Dec 7 | Thu 6:30 – 9 p.m.

This course builds on the skills acquired in Conversational Spanish I. It is for the intermediate level student who wants to expand their knowledge of the Spanish language. The main goal of this level is expanding vocabulary, phonetics and the familiarity with the language.
GENERAL INTEREST COURSES

Digital Camera Basics – Level 1
PHOT-9016-01SC $75 + HST
Oct 4 – 5 | Wed – Thu 6:30 – 9 p.m.
Learn what all the buttons mean and what they are used for on your Digital SLR camera. Learn about basic picture taking, lighting, and posing subjects. Indoor and outdoor photography, what adjustments need to be made for lighting, and settings on your camera will be covered. Loaner digital cameras available.

Digital Camera Basics – Level 2
PHOT-9076-01SC $85 + HST
Oct 18 – 19 | Wed – Thu 6 – 9 p.m.
Building on what you learned in the beginner class, you will learn how to use and experiment with the manual camera settings. You will also learn about basic colour correction and photo manipulation. Bring your Digital SLR camera and learn more valuable skills to get the most out of your camera.

Wine 101
BEVR-9025-01SC $85 + HST
Oct 4 | Wed 6 – 9 p.m.
BEVR-9025-02SC $85 + HST
Nov 1 | Wed 6 – 9 p.m.
The basics everything you want to know! How to Taste – Grape Varietals – Glassware – Cellaring & Buying! Students must be 19 years of age.

Wines of Ontario
BEVR-1009-01SC $295.98
Oct 5 – Nov 23 | Thu 6 – 9 p.m.
An introduction to the wines of Ontario. You will get to experience some great wines that will help you gain an appreciation for sensory evaluations. This course includes the test for the Wine Council of Ontario’s (WCO) Certification. This is a great intro course for anyone with an interest in wine and/or working with wine. Students must be 19 years of age.

QuickGuide for QuickBooks
ACCT-9014-01SC $99 + HST
Dec 7 – Dec 21 | Thu 6 – 9 p.m.
Learn the key modules necessary to operate QuickBooks for a small to medium business. Lecture-format instruction will be coupled with hands-on application to provide an overview of the QuickBooks program. Topics to be covered will include: navigating the user interface, internal controls, help resources, and customize user privileges; editing the chart of accounts, record and post bank transactions; completing end-of-year adjusting entries, printing financial statements and closing the fiscal year. This workshop is ideally designed for individuals who will be using QuickBooks on a daily basis or those who have recently begun to use QuickBooks and require further instruction regarding its applications. Students should be familiar with accounting/bookkeeping fundamentals.

Vehicle Maintenance
AUTO-9016-01SC $425 + HST
Sep 20 – Dec 20 | Tue 6 – 9 p.m.
Students will learn how to repair and maintain their vehicles from a licensed mechanic. The major systems of the automobile will be covered and students will apply what they learn to their own vehicle in a fully equipped service bay. Classes will be split between 1 hour of theory and 2 hours of hands-on, practical learning in the shop.
Location: Holy Trinity Catholic High School in Simcoe.

Small Engine Repair
MECH-9038-01SC $425 + HST
Sep 21 – Dec 21 | Wed 6 – 9 p.m.
Learn how to maintain and troubleshoot small engines such as motorcycles, snowmobiles, chainsaws, and lawnmowers. Two and four stroke cycle operations will be discussed along with topics surrounding fuel, spark, compression, lubrication, storage, and maintenance. Students will apply what they have learned in class to their own small engine project or one may be provided upon request. Classes will be split between 1 hour of theory and 2 hours of hands-on, practical learning in the shop.
Location: Holy Trinity Catholic High School in Simcoe.
**Welding Technology**

**WELD-9043-01SC** $699.00 + HST

Oct 3 – Dec 5 | Tue 6 – 9 p.m.

This course will be a combination of technique and hands-on learning from basic to advanced level. Your course of study will depend on your skill level. Upon completion of the course, students will be eligible to test for welding tickets at an additional cost.

*Note: Students must provide their own gloves, safety boots, safety glasses, pliers, chipping hammer and welding helmet.*

**Woodworking Basics – Level 1**

**WOOD-9025-01SC** $155 + HST

Nov 4 | Sat 9 a.m. – 4 p.m.

A fun course designed to expose beginners to woodworking in a safe and positive environment. You will learn to safely use hand tools and power tools to complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.

**Woodworking Basics – Level 2**

**WOOD-9026-01SC** $165 + HST

Nov 18 | Sat 9 a.m. – 4 p.m.

This workshop will build on the skills learned in the Level 1 class and encourage students to use woodworking tools in a safe and positive environment. You will again learn new skills and complete a small project to take home at the end of the day.

Class is held at Holy Trinity Catholic High School.
