SECTION 2 - ZONES AND ZONING MAPS

2.1 ESTABLISHMENT OF ZONES AND ZONE SYMBOLS

For the purposes of this by-law, the City of St. Thomas shall be divided into 54 areas, which areas shall be located as shown on the "Index of Zoning Maps" to this by-law.

For each of the 54 areas shown in heavy solid lines on the Index of Zoning Maps, there shall be a Zoning Map, the numbering of which shall correspond to the numbering on the Index of Zoning Map to which it relates.

Where this by-law is to be amended in respect to any land within a Zoning Map and such lands cannot be conveniently shown on the Zoning Map, such lands may be shown on a Special Zoning Map.

Each Special Zoning Map shall be appropriately numbered and lettered.

The lands within the Zoning Maps shall be divided into the following Zones:

<u>ZONES</u>	<u>ZONE SYMBOLS</u>
First Residential Zone	R1
Second Residential Zone	R2
Third Residential Zone	R3
Third Residential Zone	R3A
Fourth Residential Zone	R4
Fifth Residential Zone	R5

Mixed Use Development Zone	MU
Employment Lands Zone	EL
Business Employment Lands Zone	BEL
Open Space and Park Zone	OS
Regional Facilities Zone	RF
Hazard Land Zone	HL
Natural Heritage	NH
Railway Tourism Zone	RT

or shall be included in a Holding Zone or in a Special Zone which shall be marked by a Zone Symbol followed by a number, such as C3-9, which Zone Symbol and number collectively shall be known as a "Special Zone Symbol." The Zone Symbol for each Zone shall be as set out above opposite each Zone under the heading Zone Symbols.

Where the boundary of each Zone on each Zoning Map and of each Special Zone on each Zoning Map or on each Special Zoning Map coincides with the boundary of the City of St. Thomas, it shall be shown by a heavy broken line.

The Index of Zoning Maps, the Zoning Maps and the Special Zoning Maps which are attached to this by-law form part of this by-law.

2.2 HOLDING ZONES (By-law 30-2021)

2.2.1 Use of Zone Symbol

Where the symbol "h" appears on a Zoning Map or on a Special Zoning Map as a prefix to a Zone Symbol or Special Zoning Symbol, notwithstanding the provisions of that zone or special zone, unless this by-law has been amended to remove the relevant "h" symbol, those lands shall not be developed or used except for uses permitted by paragraph 2.2.2.

2.2.2 Permitted Interim Uses

Existing uses.

2.2.3 Holding Zone Provisions

- (a) Plan of subdivision - to ensure the orderly development of lands, the "h" symbol shall not be deleted until a subdivision agreement is entered into for the lands in question with the City Corporation.
- (b) Municipal Services - to ensure that there is sewage capacity for the lands in question, the "h" symbol shall not be deleted until the Director, Environmental Services and City Engineer certifies that in his opinion the City Corporation has adequate uncommitted reserve sewage capacity for the orderly development of the lands in question.
- (c) Survey Requirements - where the limits of development abut or are in the vicinity of a Natural Heritage Zone (NH) or a Hazard Land Zone (HL), to ensure that such limits are adequately defined, the "h" symbol shall not be deleted until the Erosion Hazard Limit has been delineated to the satisfaction of the City Corporation and the Kettle Creek Conservation Authority.
- (d) Environmental Impact Study - to ensure that all environmental concerns are addressed in respect of lands abutting or in the vicinity of a Natural Heritage Zone - NH, the "h" symbol shall not be deleted until an environmental impact study has been finalized in respect of such lands that is satisfactory to the City Corporation.

SECTION 3 - INTERPRETATION OF BY-LAW

- 3.1 Where any uncertainty exists as to the location of the boundary of any zone shown on a zoning map, the provisions of paragraphs 3.2 to 3.8 inclusive shall apply.
- 3.2 Where the location of a boundary of a zone coincides or approximately coincides with a lot line shown on a registered plan of subdivision, such lot line shall be deemed to be the boundary.
- 3.3 Where a boundary of a zone is approximately parallel with a street line and the distance from such street line is not indicated, such boundary shall be deemed to be parallel to such street line and the distance between the street line and the boundary shall be determined by the use of the scale shown on the zoning map.
- 3.4 Unless otherwise indicated, a street, lane, railroad or railway right-of-way, or watercourse shown on a zoning map is included within the zone of the adjoining property on either side thereof, and where a street, lane, railroad or railway right-of-way or watercourse serves as a boundary between two or more zones, the centre line of such street, lane, railroad or railway right-of-way, or watercourse shall be deemed to be the boundary between the zones.
- 3.5 In the event that a street or lane is legally closed, such street or lane shall be included within the zone of the lands adjoining on either side of the street or lane, and where the street or lane legally closed serves as the boundary between two zones, the centre line of such street or lane shall be deemed to be the boundary between the zones.
- 3.6 Where the location of the boundary on a Special Zoning Map conflicts with the location of a boundary shown on a Zoning Map, the location of the boundary of the Special Zoning Map shall prevail.
- 3.7 Where the location of any boundary of a zone on a Zoning Map is uncertain after applying the preceding provisions, the location of the boundary shall be determined according to the scale on such Zoning Map.
- 3.8 Where the context permits, in paragraphs 3.1 to 3.7 inclusive, "Zone" includes "Special Zone" and "Zoning Map" includes "Special Zoning Map".
- 3.9 Where the front yard depth, side yard depth or rear yard depth of a lot exceeds the minimum required by this by-law, in interpreting this by-law, the front yard required by this by-law shall abut the front lot line and in the case of a rear yard, the rear yard required by this by-law shall abut the rear lot line and in the case of a side yard, the side yard required by this by-law shall abut a side lot line.

4.2.3.2 No part of any swimming pool deck shall be located closer than 0.5 metres to any lot line.

4.2.4 OTHER ACCESSORY BUILDINGS AND STRUCTURES IN RESIDENTIAL ZONES

4.2.4.1 A garage may, subject to 4.2.4.3 and 4.2.4.4, be erected and used for accessory uses in any yard except a required interior side yard, a required exterior side yard, required exterior rear yard or a required front yard. (By-law 142-92)

4.2.4.2 A utility shed or other accessory building, other than a garage, may, subject to 4.2.4.3 and 4.2.4.4, be erected and used for accessory uses in any yard except a front yard, a required interior side yard, an exterior rear yard and an exterior side yard. (By-law 142-92)

4.2.4.3 No accessory building shall be erected or used between a main building wall and any required front yard except that a garage attached to a dwelling may be erected and used between any main building wall opposite the front lot line and its extensions and any required front yard. (By-law 142-92)

4.2.4.3a No accessory building shall be erected or used between any main building wall opposite the exterior lot line and the exterior lot line if any part is within 1 metre of the exterior lot line or, in the case of a garage, if there is access for an automobile from the street to such garage through the exterior lot line. (By-law 142-92)

4.2.4.4 An accessory building may be erected and used within a rear yard but no part shall be erected or used

- (i) within .3 metres of the rear lot line or exterior lot line or, except as provided in clause 4.2.4.5, within .3 metres of any interior lot line; or
- (ii) within 2 metres of the intersection of the rear lot line and the exterior lot line of such lot. (By-law 142-92)

4.2.4.5 The common wall between two garages in the rear yards of two lots may be centered on a common interior lot line of such lots.

4.2.4.6 Subject to the provisions of 4.1.1, no accessory building shall be erected on a lot prior to the erection of a main building on the lot.

4.2.4.7 No accessory building shall be used for human habitation.

4.2.4.8 No accessory building shall exceed 4 metres in height.

4.2.4.9 The provisions of clause 4.2.4.1 to 4.2.4.9 inclusive shall not apply to swimming pools.

4.2.5 USE OF YARDS IN RESIDENTIAL ZONES

4.2.5.1 No land in any front yard, exterior side yard, interior side yard, or rear yard shall be used for the maintenance or repair of any motor vehicle except for minor or operating repairs such as the changing of spark plugs, windshield wipers, headlights and tires or for the washing, polishing or cleaning of a motor vehicle.

4.2.5.2 No land in a front yard, exterior side yard or exterior rear yard shall be used for the storing or keeping of a boat, motor vehicle, motorcycle, school bus, trailer, tractor trailer, mobile home, boat trailer or camper.

4.2.5.3 No lot shall be used for the storing, placing or keeping of more than one mobile home.

4.2.5.4 No land or building or part thereof shall be used for offering for sale or selling any matter or thing and without limiting the generality of the foregoing, for a yard sale or a public or private auction sale.

4.2.6 USE OF LANDS FOR PARKING IN RESIDENTIAL ZONES

4.2.6.1 Subject to the provisions of 4.2.6.2, no part of any lot shall be used for the parking of a motor vehicle or trailer.

4.2.6.2 Subject to the provisions of 4.1.9.1, 4.2.6.3, and 4.2.6.4, a parking lot, parking space or residential driveway may be used for the parking of an automobile, motorcycle, snowmobile, trailer, mobile home, motor home, motor scooter, motor assisted bicycle or truck with not more than two axles or a truck for which the manufacturer's gross vehicle rating is less than 4,600 kilograms,

4.2.6.3 **No parking** lot, parking space or residential driveway shall be located or used:

- (a) within those parts of a corner lot as described in clauses 4.1.6.1 and 4.1.6.2 in which no building or structure may be erected or used;
- (b) within a landscaped area;
- (c) within a front yard if the area of all driveways, parking spaces and parking lots in such yard exceeds 50% of the area of such yard;
- (d) within a front yard or exterior side yard of a corner lot if the area of all residential driveways, parking lots and parking spaces in both of such yards exceeds twenty-five (25%) per cent of the area of both yards.

4.2.6.4 No residential driveway or parking space shall be located or used:

- (a) if the total width of all such driveways and parking spaces on a lot where they intersect the front lot line exceeds fifty (50%) per cent of the length of the front lot line; or
- (b) if the total width of all driveways and parking spaces on a lot where they intersect the exterior lot line exceeds fifty (50%) per cent of the length of the exterior lot line.

4.2.6.5 No part of any lot shall be used for the parking of a motor vehicle having a manufacturer's gross vehicle rate weighing in excess of 4,600 kilograms.

4.2.7 NUMBER OF BUILDINGS ON A LOT IN A RESIDENTIAL ZONE

- 4.2.7.1 In any R1, R2 or R3 zone, not more than one main building shall be erected or used on a lot.
- 4.2.7.2 In any R4, R5, R6 or R7 Zone, more than one main building may be erected on a lot.

4.2.8 HOME OCCUPATIONS IN RESIDENTIAL ZONES

- 4.2.8.1 The total of the floor area of:
- (i) all parts of each dwelling unit which are used for any home occupation, and
 - (ii) all parts of each building that is accessory to such dwelling unit and used for any home occupation, shall not exceed 15 square metres or 15% of the floor area of such dwelling unit, whichever is the lesser.
- 4.2.8.2 No person shall use any part of a dwelling unit or accessory building as his place of employment in connection with a home occupation unless such person regularly resides in such dwelling unit;
- 4.2.8.3 No part of any dwelling unit shall be used for selling or offering to sell any goods, wares or merchandise to any person except by telephone;
- 4.2.8.4 No part of any accessory building shall be used for selling or offering to sell any goods, wares or merchandise to any person except by telephone;
- 4.2.8.5 No sign or other advertising device relating to or in any way connected with any home occupation shall be erected, posted or displayed on any lot or on or within any building or structure;
- 4.2.8.6 No home occupation shall be carried on except within a dwelling unit or within an accessory building;
- 4.2.8.7 No person shall use any part of a dwelling unit or of an accessory building as a barbershop or hair dressing establishment or as the place of business of a physician, surgeon, psychiatrist, dentist, lawyer, engineer, surveyor, chiropractor, osteopath, accountant, bookkeeper, photographer or an agent or broker of real estate or insurance.
- 4.2.8.8 No part of any lot, dwelling unit or accessory building shall be used as a place where any goods, wares, or merchandise are delivered, handed to or picked up by any person who does not regularly occupy such lot, dwelling unit or accessory building.

4.2.9 SUBSTANDARD LOTS IN A RESIDENTIAL ZONE

- 4.2.9.1 Where an existing building is located on a lot having less than the minimum lot frontage, lot area, setback, front yard depth, side yard depth or rear yard depth required by this by-law, such building may be enlarged or reconstructed, provided that the enlargement or reconstruction does not further reduce any setback, front yard depth, side yard depth or rear yard depth which is less than the minimum required by this by-law.
- 4.2.9.2 An existing lot having less than the minimum lot frontage or minimum lot area required by this by-law may be used for any purpose permitted in any residential zone provided all other applicable provisions of this by-law are complied with and there are available to service the building or structure erected thereon and the lands on which it is situate:
- (a) a municipal water supply system; and
 - (b) a municipal sanitary sewage system, and a municipal storm sewage system, or a combined municipal sanitary and storm sewage system.
- 4.2.9.3 The required front yard depth for an existing interior lot shall, subject to the provisions of clause 4.1.4, be the lesser of:

- (a) the average of the front yard depths of the two abutting interior lots fronting on the same street, or
- (b) the required front yard depth for the lot.

4.2.9.4 SEVERANCE OF LOTS AND BUILDINGS

Where a semi-detached dwelling is lawfully erected in accordance with the provisions of this by-law and any such dwelling and the lot on which it is located are lawfully severed, the zone requirements applicable to such semi-detached dwelling and the lot on which it is located as set forth in paragraphs 7.4.1, 8.4.1 and 9.4.1, as the case may be, shall apply to each lot created and the part of the building erected thereon except that the minimum lot area shall be 45% of the minimum for the lot before the severance, the minimum lot frontage shall be 45% of the minimum for the lot before the severance, the minimum lot coverage shall be 40% of the minimum for the lot before severance and the minimum for one side yard shall be nil and 1 meter for the other.

4.2.9.5 Where a modified semi-detached dwelling is lawfully erected in accordance with the provisions of this by-law and any such dwelling and the lot on which it is located and lawfully severed, the zone requirements applicable to such modified semi-detached dwelling and the lot on which it is located shall apply to each lot created and the part of the dwelling erected thereon except that the minimum lot area shall be 45% of the minimum for the lot before the severance, the minimum lot frontage shall be 45% of the minimum for the lot before the severance, the minimum lot coverage shall be 40% of the minimum for the lot before the severance and the minimum side yards shall be as follows:

- (a) one side yard shall be nil and the other side yard one metre where the dwelling is within the definition set forth in 1.75a (i) and (ii);
- (b) both side yards shall be one metre where the dwelling is within the definition set forth in 1.75a(iii) (By-law 62-97)

4.2.9.6 (a) Subject to the provisions of clause 4.2.9.6(b), where a townhouse dwelling is lawfully erected in accordance with the provisions of this by-law and any such dwelling and the lot on which it is located are lawfully severed, the zone requirements applicable to such dwelling and the lot on which it is located as set forth in paragraphs 7.4.1, 7A.4.1 and 8.4.1, as the case may be, shall apply to each lot created and the part of the building erected thereon except that the minimum lot frontage shall be 5.5 metres, and the minimum side yards shall be nil for an interior unit and for an end unit one side yard shall be nil and 2 metres for the other.

(b) For the purposes of clause 4.2.9.6(a) townhouse dwelling must have

- (i) frontage on and direct access to a municipal street; and
- (ii) independent connection to a municipal sanitary sewage system, municipal water supply system and a municipal storm sewer system. (By-law 102-2015)

4.2.11 AIR CONDITIONING DEVICES

4.2.11.1 In a residential zone an air conditioning device may be located in a required interior side yard, a required exterior side yard and a required rear yard.

4.2.11.2 No Part of any air conditioning device shall be located closer than 0.3 metres to a lot line. (By-law 86-2016)

4.2.11 ADDITIONAL RESIDENTIAL UNITS

The provisions of this section shall apply to all additional residential units, unless specified by type directly herein.

4.2.11.1 Additional residential units shall be permitted within any residential zone in association with the following uses:

- (a) Single detached dwelling
- (b) Semi-detached dwelling
- (c) Street townhouse dwelling

Single detached dwellings, semi-detached dwellings or street townhouse dwellings containing an additional residential unit on the date of the passing of this by-law, may continue to be used for that purpose if a building permit has been issued under sections 8 or 10 of the Building Code Act, 1992, S.O. 1992, c.23 permitting the erection, alteration, occupancy or use for the additional residential unit, and if the additional residential unit complies with the regulations of the Fire Protection and Prevention Act, 1997, S.O. 1997, c.4.

4.2.11.2 A maximum of two (2) additional dwelling units shall be permitted per lot as follows:

- (i) two residential units in a detached house, semi-detached house or townhouse on a residential lot, if all buildings and structures ancillary to the detached house, semi-detached house or townhouse cumulatively contain no more than one residential unit;
- (ii) three residential units in a detached house, semi-detached house or townhouse on a residential lot, if no building or structure ancillary to the detached house, semi-detached house or townhouse contains any residential units; or
- (iii) one residential unit in a building or structure ancillary to a detached house, semi-detached house or townhouse on a residential lot, if the detached house, semi-detached house or townhouse contains no more than two residential units and no other building or structure ancillary to the detached house, semi-detached house or townhouse contains any residential units. (By-Law 59-2023)

4.2.11.3 (a) An additional residential unit shall not be permitted on a separate lot from the primary dwelling unit that it is accessory to.

(b) An additional residential unit or part thereof shall not be permitted in a basement where the finished floor level of such basement is below the level of any sanitary sewer servicing the building or structure in which the basement is located.

(c) An additional residential unit shall not be permitted in a flood plain as regulated by the Conservation Authority having jurisdiction for that area.

(d) An additional residential unit shall not be permitted unless full municipal sanitary services and municipal piped water services are available to service the additional residential unit.

4.2.11.4 (a) An additional residential unit may be permitted in an accessory structure on the same lot as the primary dwelling.

(b) An additional residential unit within an accessory structure may only be permitted in the rear yard or interior side yard.

(c) An additional residential unit in an accessory structure located in a rear yard shall be required to meet the following:

Interior side yard setback:	1 metre
Exterior side yard setback:	4 metres
Rear yard setback:	1 metre
Maximum height:	4 metres

4.2.11.5 The floor area of additional residential unit(s) shall not be greater than 40% of the combined total floor area of the primary dwelling unit and the additional residential units. For the purposes of calculating floor area requirements for additional residential units the following shall not be included:

- (a) additions to dwelling units completed after the date of passage of this by-law; and,
- (b) the floor area of accessory structures, where an accessory structure does not include an additional residential unit.

4.2.11.6 Exterior alterations to provide for entrances to the additional residential unit within interior or rear yards of the primary dwelling unit may be permitted.

4.2.11.7 The minimum of 1 parking space is required for each additional residential unit. Notwithstanding the provisions of subsection 1.81(ii), a parking space for an additional residential unit may be located in tandem with parking spaces provided for the main residential unit.

4.2.11.8 Additional Residential Units shall be required to conform to all Ontario Building Code and Ontario Fire Code regulations.
(By-law 98-2021)

Section 15A – Power Centre Zone – C10 (By-law 171-2000)

15A.1 General Purpose of Zone

This zone provides for and regulated a range of service and retail uses which are intended to implement the policies of the “Secondary Commercial” land use designation of the Official Plan.

The Secondary Commercial Zone anticipates a retail campus comprising a variety of attached and detached structures for a range of small and medium format retail uses which are integrated by means of a single Site Plan approved under Section 41 of the *Planning Act*. In keeping with the theme of the Secondary Commercial Zone, restrictions limit the number of smaller (“ancillary”) Retail Stores that are permitted in the Zone.

15A.2 Permitted Uses

In this zone, no land, building or structure shall be used except for the following purposes:

- (a) Retail Store
- (b) Home and Auto Supply Store
- (c) Retail Food Store
- (d) Restaurant
- (e) Drive-in Restaurant
- (f) Theatre
- (g) Gas Bar
- (h) Automobile Service Business
- (i) Business Office
- (j) Clinic
- (k) Drug Store
- (l) Personal Service Shop
- (m) Tavern

15A.3 Permitted Buildings and Structures

In this zone, no building or structure shall be erected except for the uses permitted in subsection 15A.2

15A.4 Services Required

No building or structure shall be erected or used for any purpose permitted by subsection 15A.2 unless the following municipal services are available to service the building or structure and the land on which it is situate:

- iii) a water supply system; and
- iv) a sanitary sewage system and a storm sewage system.

15A.5 Zone Regulations

15A.5.1 In this zone, no building or structure shall be erected or land, building or structure used except in accordance with the regulations set forth below.

15A.5.2 Minimum Lot Area
19 hectares

15A.5.3 Minimum Lot Frontage
60 metres

15A.5.4 Location of Buildings and Structures
No part of any building shall be erected within 6 metres of a lot line within the area affected.

15A.5.5 Maximum Height of Buildings and Structures

All other uses – 9.2 m

15A.5.6 Landscaped Area Minimum
10%

15A.5.7 Required Minimum Number of Parking Spaces
5.5 spaces per 100m² of floor area

15A.5.8 Gross Leasable Floor Area

- i) The Gross Leasable Floor Area of all buildings within this zone shall not exceed 37,160 square metres
- ii) The Gross Leasable Floor Area of a Department Store within this zone shall not exceed 9,755 square metres.

15A.5.9 Regulations Applicable to Retail Stores

- i) Gross Leasable Floor Area minimum for any Retail Store – 275 square metres.
- ii) No more than 10% of the total Gross Leasable Floor Area constructed on a Lot shall consist of ancillary Retail Stores which have individual Gross Leasable Floor Areas of less than 465 square metres.
- iii) Home Improvement Centres are prohibited.

15A.5.10 Lot Area Requirements

A Power Centre Zone may consist of Lots that are owned by one or more persons. Where the development of the land is approved under Section 41 of the Planning Act and, pursuant to a consent subsequently given under Section 53 of the Planning Act or pursuant to an approval or exemption subsequently given under Section 50 of the Condominium Act, any part of the land is conveyed or otherwise dealt with, the provisions of Section 15A and any other regulations of By-law 50-88 are hereby deemed to apply to the land as a whole and to any building or structure thereon in the same manner and to the same extent as if the consent, approval or exemption was not given, so long as the land and any building or structure thereon are used and continue to be used for the purpose for which the development was approved.

15A.5.11 Holding Zone Provisions

Where the symbol “h” appears on a Zoning Map or on a Special Zoning Map with a Zone Symbol or Special Zone Symbol, notwithstanding the provisions of that zone or special zone, unless this by-law has been amended to remove the relevant “h” symbol, those lands shall not be developed or used except in compliance with the provisions of the applicable zone, or for such other uses set out in the relevant Holding Provisions below. The relevant holding provisions are denoted by the number (if any) immediately following the symbol “h” on the Zoning Map or Special Zoning Map.

- i) Environmental Remediation – To ensure that environmental concerns are addressed, the “h1” symbol will not be deleted from the Zone until a report and soil remediation action plan prepared by a qualified consultant in accordance with Ministry of Environment publication entitled “Guideline for Use of Contaminated Sites in Ontario” June, 1996 as revised, is filed with and is accepted (in writing) by the City.
- ii) Gross Leasable Floor Area – Interim Limit Applicable to Retail Floor Area – Retail Food Store – To ensure that the construction of new retail food store facilities does not outpace the increase in market demand, the total Gross Leasable Floor Area for use by a Food Store shall be limited to a maximum of 2230 square metres while the “h2” symbol applies. The “h2” symbol shall not be deleted from the Zone until either:
 - a) a report prepared by a qualified retail analyst is filed with and accepted (in writing) by the City or;
 - b) documentation is filed with and accepted (in writing) by the City confirming that new retail food store floor space proposed is a relocation of an existing retail food store located within the trade area.
- iii) Gross Leasable Floor Area – Interim Limit Applicable to Retail Floor Area – Retail

Store – To ensure that the construction of new retail facilities does not outpace the increase in market demand, the total Gross Leasable Floor Area for retail stores, excluding a department store or a retail food store, shall be limited to a maximum of 9, 290 square metres while the “h3” symbol applies. The “h3” symbol shall not be deleted from the Zone until a report prepared by a qualified retail analyst is filed with and accepted (in writing) by the City.

SECTION 21 – EMPLOYMENT ZONES (By-law 74-2018)

21.1 General Use Regulations Applicable to Employment Zones

The provisions of paragraph 21.1.1 and all other paragraphs of this subsection 21.1 shall, unless the context otherwise requires, apply to all lands, buildings and structures in each Employment Zone and in the event of any conflict between any provision in any paragraph in this subsection 21.1 and any provision in section 21A to 22 inclusive, the provisions of the paragraph in this section shall prevail.

21.1.1 Emergency Services Facilities

Emergency services facilities that have been approved by the City shall be permitted in any Employment Zone.

21.1.2 Location of Driveways

No land shall be used in any Employment Zone as a driveway for motor vehicles if any part of such driveway, where it intersects or crosses a front lot line or an exterior lot line, is within 16 metres of the intersection of any front lot line and an exterior lot line of any corner lot.

21.1.3 Storage in Yards

No land in any front yard, exterior side yard and exterior rear yard in any Employment Zone shall be used for the storing, keeping, piling or placing of any substance or thing and without limiting the generality of the foregoing, any raw material, waste, good, container, equipment or machinery.

21.1.4 Substandard Lots in Employment Zones

21.1.4.1 Where an existing building is located on a lot having less than the minimum lot frontage, lot area, setback, front yard depth, side yard depth or rear yard depth required by this by-law, the said building may be enlarged, reconstructed, repaired or renovated provided that the enlargement, reconstruction, repair or renovation does not further reduce any setback, front yard depth, side yard depth, or rear yard depth which is less than the minimum required by this by-law and all other applicable provisions of this by-law are complied with.

21.1.4.2 An existing lot having less than the minimum lot frontage or minimum lot area required by this by-law may be used for any purpose permitted in any Employment Zone provided all other applicable provisions of this by-law are complied with and there are available to service the building or structure thereon and the lands on which it is situate:

- (a) a municipal water supply system; and
- (b) a municipal sanitary sewage system, and a municipal storm sewage system.

21.1.5 Use of Land for Parking

- (a) Subject to the provisions of 21.1.5(b), no part of any lot shall be used for the parking of a motor vehicle or a trailer.
