## President's Graduation Message

My sincere congratulations to our 2023 graduates – today is your day! Education is a team effort that takes perseverance and hard work. Today's celebration belongs to everyone – including the family and friends who supported you throughout your college career. We are all very proud of your significant accomplishment.

At Fanshawe, we strive to unlock potential and provide students with pathways to success. Your Fanshawe credential will provide you with many career opportunities and a bright future. Be proud of your achievements and stay motivated by setting new goals for yourself. I urge you to apply your diverse skills and knowledge to help make a difference in the world.

You have reached an important milestone in your life's journey. I hope you will remember the rich connections made with caring faculty and staff, who positively influenced your pathway to success. I encourage you to stay in touch with your Fanshawe family. Our dynamic Alumni Association will keep you informed about news and events about our students, campuses and alumni and allow us to share in all of your accomplishments as you move into the workforce.

Once again, congratulations!

Peter Devlin  
President, Fanshawe College

## Greetings from Fanshawe Board of Governors

On behalf of the Fanshawe College Board of Governors, I would like to offer heartfelt congratulations to the 2023 Fanshawe College graduates.

You are now part of a global network of Fanshawe graduates who are working to contribute to their communities around the corner and around the globe. We, and the entire Fanshawe community, are proud to share in your accomplishments as you, and those who have helped you get to this point, celebrate your important achievements today.

Congratulations again on your graduation and please accept my most sincere best wishes for your continued success as you embark on rewarding careers in your chosen fields.

***Terry Zavitz***

*Chair, Fanshawe College Board of Governors*

## Greetings from the Fanshawe Student Union

### **Congratulations, Class of 2023. You have made it!**

A year ago, when I took my first steps inside Fanshawe I remember wishing that one day I would find my place here. Thanks to the many incredible people I've met during my studies – my friends, my colleagues and faculty – I have found my place. Today, I am able to do the same for others and I am grateful for that.

Your passion, your ambition and your talents have left a lasting impact on the College. You are leaving Fanshawe a better place because of your contribution. Wherever your next step in life takes you, be kind to one another and be open to creating beautiful stories that inspire the ones coming after you.

On behalf of the Fanshawe Student Union, I wish you all the success reaching beyond the stars. As Stan Lee, the creator of Marvel, would say: “Excelsior!”

## Guest Speaker Biographies

### **Dr. Kit Silcox**

Professor Emeritus, Lawrence Kinlin School of Business

*(Tuesday, November 7 at 10 a.m.)*

Kit joined Fanshawe in 2006 as a full-time professor of Business, a position he held for 13 years until his retirement in 2019. During his time at the College, he also taught leadership courses for the Bachelor of Early Childhood Leadership degree program and was one of the founding professors to develop the four-year Honours Bachelor of Commerce (Management) Degree.

Prior to joining the College, Kit was owner/president of Professional Advisors, an executive training and development business facilitating decision and learning meetings for professionals at both large and small enterprises in virtually every economic sector. He has also been owner/operator of a non-ferrous foundry making bronze and aluminium products for manufacturers in Southwestern Ontario.

Kit holds a Bachelor of Applied Science degree in Engineering and a Master of Applied Science degree in Management Sciences from the University of Waterloo, as well as a PhD in Business from the University of Kansas.

Beyond Fanshawe, he has taught part-time for Western University, was an assistant professor at Simon Fraser University and a lecturer at the University of Kansas.

Kit is the author of three internationally recognized management training programs, “Milestones: Charting Your Future”, “The Milestones Strategy Retreat” and “Performance: A Managers Guide to Effective Leadership”. He has also written monthly articles on organizational development topics for Focus, an e-newsletter distributed to over 5,000 companies across North America.

Kit has been an active community member having sat on the boards of King’s University College, the London Community Small Business Centre and Original Kids Theatre Company. He was also a founding member of the London Region Manufacturing Council.

While at Fanshawe, Kit was a major contributor and advocate for the United Way Campaign and led the College’s blood donor drives on behalf of the Red Cross. He sings bass (not good but loud) in his church choir, has donated over 650 units of plasma for Canadian Blood Services and is a member and volunteer of the Horton Street 50+ Centre.

Kit and his partner Cathy have visited every part of Canada, including as far north as the Arctic Ocean.

### **Stephanie Meyer**

President/CEO, Rainer Cyber and Risk Management Inc.

*(Tuesday, November 7 at 3 p.m.)*

Stephanie Meyer is President and CEO of Rainer Cyber and Risk Management Inc., providing cyber security and compliance services for information technology and operational technology systems to the electricity sector.

Launching from a diploma in Business Administration, Stephanie's career in communications grew from marketing to business development and business strategy to entrepreneur. For Stephanie, it was always about how to do things more efficiently, bring more value to the business and deliver greater benefit to the clients.

Known for her ability to cultivate relationships, embrace a vision, and continually pursue education, Stephanie's leadership spirit prevails. Never defined by a role or limited by expectations, Stephanie is always looking forward – setting goals, understanding what is needed to get there and then taking the necessary steps to achieve. In fact, she wrote her last exam in October – a critical step to bring a new service offering to her clients.

Anyone who has spent time with Stephanie knows her to be intelligent, caring and passionate. She takes great joy in empowering others to succeed in their pursuits. Her passion also permeates her volunteer work as the youth education coordinator for the Donnybrook Legion, as well as her involvement with IODE, a national women's charitable organization promoting education and literacy, and caring for those in need.

### **Denise Pelley**

Vocalist

*(Wednesday, November 8 at 10 a.m.)*

A retired executive assistant and community relations manager with Junior Achievement, Denise is an accomplished singer with recording credits that include seven CDs. She has performed with many great artists (i.e., trombonist Ray Anderson, Gospel/Blues legend Jackie Richardson and Flamenco guitarist Jesse Cook) and at a variety of festivals (i.e., the du Maurier Downtown Jazz Festival in Toronto, Ottawa Jazz Festival, and Bluesfest in London). One of many career highlights saw Denise open for Aretha Franklin, the “Queen of Soul” when she performed in London.

Denise also has several acting credits to her name having performed at The Grand Theatre in the Fats Waller musical “Ain’t Misbehavin’”, “A Streetcar Named Desire” and her one-woman show, “Jazzabel” which premiered in September 2004 to sold out audiences. In 2005, Jazzabel was performed at the National Museum for Women in the Arts in Washington, DC and the following year at Urban Stages Theatre in New York City. Denise was featured in the February 2006 issue of Oprah Winfrey’s O Magazine.

Denise is the co-founder of the Jason Edmonds Foundation for Road Rage which was formed after the death of her son Jason in 2000. The Foundation ran for five years, during which time the co-founders delivered many presentations to youth about the dangers of road rage.

Denise has also volunteered with Canadian Aid for Southern Sudan having made 12 trips to the village of Gordhim where she helped deliver a music and art camp to over 400 children. She is a board member at large with Educate the Children, helping to raise funds for a school in Nigeria.

Denise was awarded the Queen’s Golden and Diamond Jubilee medals in recognition for her outstanding contributions to her community and Canada as a whole. In 2002, Denise received the first of six London Music Awards for best jazz artist of the year. In 2003, she was named a YM-YWCA Woman of Distinction in the Arts and Heritage category. In 2008 and 2014 she won Jazz Artist of the Year at the Jack Richardson awards. In 2009, the London Black History Committee honoured Denise with the Black Community Achievement Award in recognition of her accomplishments, contributions and support to her community. In April 2015, she was inducted into the Jack Richardson London Music Hall of Fame.

Denise has also been a keynote speaker giving a presentation on the power of music.

*“Our work and our lives become more meaningful when they are in harmony with who we are. The times when we feel the most happy, the most passionate, the most energized are the times we are most alive. And that’s when the soul sings!”*

*- Denise Pelley*

### **Linda Franklin**

Retired CEO, Colleges Ontario

*(Wednesday, November 8 at 3 p.m.)*

Linda Franklin recently retired as the President and CEO of Colleges Ontario. Under her leadership, the association worked to advance the interests of Ontario's college system, including standalone nursing degrees, three-year degrees and funding for a range of initiatives from mental health supports to green buildings. She also spearheaded a major marketing campaign to drive home the value of a college education.

Previously, Linda was the CEO of the Wine Council of Ontario. There, she worked with the government to change legislation that dramatically improved the economics of the industry. Prior to joining the Wine Council, Linda was a writer and communications specialist whose career included time as a consultant, five years as the head of communications for a regulatory body and heading up a department charged with meeting the communications needs of MPPs at Queen's Park. Currently, she serves as Board Chair of William Osler Health Care System and is a member of the Niagara College Board of Directors.

Linda Franklin has a degree in English and History and a Master of Arts in Journalism from Western University.

# Fanshawe College Post-Secondary Awards

## **Dean's Academic Award**

The awards are presented at fall convocation to a student in each of the following academic areas:

- Faculty of Arts, Media and Design
- Faculty of Business
- Faculty of Health, Community Studies and Public Safety
- Faculty of Technology
- Regional Campuses (Woodstock/Oxford Regional Campus, Simcoe/Norfolk Regional Campus, St. Thomas/Elgin Regional Campus)

## **Fanshawe College Distinguished Student Award**

The Fanshawe College Distinguished Student Award is presented on an annual basis to full-time post-secondary diploma, degree or post graduate certificate program students representing each of the following areas of study:

- business
- community services
- creative arts and design
- health sciences
- technology

Award recipients must have demonstrated academic success while demonstrating a significant contribution to college life or to the community, displaying a real commitment to others.

# Fanshawe College Gonfalons

Gonfalons – crested, symbolic banners – have been a part of various religious, military and community ceremonies for centuries. Fanshawe's gonfalons pay homage to this time-honoured tradition, while providing visual identities for each of our academic schools. They were designed and created by members of the London Embroiderers' Guild.

**Applied Sciences and Technologies** A river dominates this banner, symbolizing not only the natural basis for all science, but a unifying flow between the different areas of science and technology. Manufacturing, electrical technology and biotechnology are represented by a gear, a transistor and a microscope. The small symbols in the river point to weather, physics, ecology, biology and chemistry, all of which are vital components of the science and technology programs at Fanshawe.

**Arts and Culture** This gonfalon was designed to incorporate various aspects of art and culture, including music, dance, fine art, theatre and literature. The score and piano keys represent music (the notation is for "O Canada" – a reference to Fanshawe's geography). The book represents literature and sketching, as well as collecting ideas as part of the creative process. The pens, paintbrushes and script all refer to various artistic disciplines. The figure at the bottom is in movement, suggesting dance in all of its forms.

**Building Technology** This gonfalon depicts a series of buildings against a waterfront skyline with a crane hoisting a load of material toward a roof. In the foreground, a bridge spans a body of water. Much of the construction, building and planning is implied in the images. The gonfalon has been executed in a manner not unlike the construction process: i.e. planning and consultation, developing a mock-up, then execution by groups or individuals with different skills, the use of both hand work and machine work using traditional and modern materials.

The back of the banner is a partially constructed brick wall – a familiar construction material and method, particularly in Eastern Canada.

**Business and Management** The Business and Management gonfalon features two hands engaged in a handshake over a globe. The handshake is a symbol of cooperation, while the globe represents the international nature of modern trade. Together, they suggest economic interdependence, as well as the importance of sharing resources. The banner is lined around the outside with symbols of modern currencies, including the pound, the kronor, the rial, the euro, the rupee, the dollar, the shekel, the won, the guilder, the baht, the tugrik and the yen.

**Community Studies** This gonfalon is built around the image of the tree of life. It is surrounded by people of all ages, holding hands in a gesture of support and cooperation. The people form the shape of a heart, which symbolizes caring, compassion and self-awareness. There is also a heart among the shapes in the tree. It is joined by an open book for learning, a helping hand, an apple for good health and a butterfly representing transformation, all of which form the foundation of Human Services.

**Contemporary Media** Fanshawe's location is marked with a star on the globe and is surrounded by bolts of energy, symbolizing broadcasting. The piece is united by a roll of film that winds around icons signifying different branches of the arts, including a camera, a paintbrush, the @ symbol, a theatrical mask and a treble clef. Together, the symbols represent Fanshawe's focus on all types of traditional and modern media.

## Fanshawe College Gonfalons

**Design** This design is based on one of the most perfectly proportioned and visually beautiful creatures of nature... the nautilus sea shell. The ratios of its chambers are the same ratios seen in countless examples of nature's works and man-made art. Called the Golden Mean, this mathematical wonder is one of design fundamentals that creates beauty, harmony and symmetry. The students of the School of Design strive to ensure all design work they create embrace these essential qualities that enhance all aspects of our lives.

**Health Sciences** The principle feature of the Health Sciences gonfalon is the staff of Asclepius, which is the universal symbol of medicine and the healing arts. It is accompanied by several smaller symbols: the Star of Life, representing paramedics and emergency services; an intertwined delta omicron, representing dentistry; a mortar and pestle, representing pharmacy; two stylized human figures, representing good physical and mental health; and an atom, representing nuclear medicine.

**Information Technology** This gonfalon expresses movement, dynamism and the human element of modern information technology. The silhouettes of four people on the globe represent those who both work in this field and benefit from the continuously evolving technologies. The large @ symbol is instantly recognizable for the movement of electronic information and a bronze tail encircling the globe signifies the rapid and efficient movement of information. Binary code on the tail reminds the viewer about the deceptively simple encoding of information and the bronze silk reflects the copper coloured metals and wires that form the hardware inside computers.

**Nursing** The Nursing gonfalon draws its design inspiration from the stained glass window in the School of Nursing lounge. It has two main symbols: the lamp and the books. The books represent learning – the deep and sturdy foundation that supports the modern nurse. The flame coming out of the lamp invokes the nurse's comforting, life-giving spirit and suggests reaching higher. The hand and heart inside the flame represents the caring and helping of others. The lamp is a tribute to Florence Nightingale, known as the 'The Lady with the Lamp' due to her habit of making her nursing rounds at night. Her compassion and commitment to patient care laid the foundation for nursing as a profession.

**Tourism and Hospitality** The globe is a central feature of the Tourism and Hospitality gonfalon. Along with the airplane, it signifies not only travel, but the exciting opportunities that exist around the world for tourism and hospitality graduates. The three figures at the bottom represent culinary arts, management and leadership – qualities associated with graduates of food and nutrition, recreation and hotel management programs.

**Transportation Technology and Apprenticeship** The gears on this banner bring together highways, cars and trucks, a tractor, a service centre and students, all of which are central to motive power at Fanshawe. The circular arrangement also suggests both movement and progress, but while technology drives the program, people are at its centre. That lesson – working with and serving people – is the foundation on which Fanshawe's Transportation Technology programs are built.

## Academic Dress

---

Academic regalia are the items of traditional dress for academic settings, worn by a graduate to show their academic achievement. The wearer has been “admitted to scholarship” – that is, they have been granted a certificate, diploma or degree.

In the past, academic regalia were worn at an institution on a daily basis, but these days, such dress is only seen at graduation ceremonies. Each institution has its own distinctive look, generally consisting of a gown, occasionally a hat (cap, bonnet or mortar board), and a hood, liripipe or scarf, often to identify the branch of knowledge in which the wearer has achieved recognition.

At Fanshawe College, graduating students (“graduands”) wear red gowns and receive either a distinctive red scarf with a white border (when graduating with a diploma or certificate), or a black hood with white chevrons on a red background (when graduating with a degree). Anyone who is a Fanshawe graduate may wear a black gown and the appropriate Fanshawe scarf or hood.

Today you may see other gowns, headgear, and hoods or scarves. Our guests, faculty and staff are encouraged to display with pride the academic regalia for their institution and credential.

## Lyrics of “O Canada”

---

O Canada!  
Our home and native land!  
True patriot love in all of us command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide,  
O Canada, we stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.
