## President's Convocation Message

My sincere congratulations to our 2024 graduates – today is your day! Education is a team effort that takes perseverance and hard work. Today's celebration belongs to everyone – including the family and friends who supported you throughout your college career. We are all very proud of your significant accomplishment.

At Fanshawe, we strive to unlock potential and provide students with pathways to success. Your Fanshawe credential will provide you with many career opportunities and a bright future. Be proud of your achievements and stay motivated by setting new goals for yourself. I urge you to apply your diverse skills and knowledge to help make a difference in the world.

You have reached an important milestone in your life's journey. I hope you will remember the rich connections made with caring faculty and staff, who positively influenced your pathway to success. I encourage you to stay in touch with your Fanshawe family. Our dynamic Alumni Association will keep you informed about news and events about our students, campuses and alumni and allow us to share in all of your accomplishments as you move into the workforce.

Once again, congratulations!

Peter Devlin  
President, Fanshawe College

## Greetings from Fanshawe Board of Governors

On behalf of the Fanshawe College Board of Governors, I want to extend my heartfelt congratulations to each of you on your accomplishment.

Today, you celebrate the culmination of years of hard work, perseverance and dedication.

You've met the challenges and embraced the opportunities that have come your way, and for that, we are incredibly proud.

From overseeing program development to ensuring financial sustainability, the Board of Governors works diligently behind the scenes to play a key role in guiding the strategic direction of the College.

We work closely with the leadership team to ensure that the resources, facilities and partnerships that support your education are in place. Our efforts are driven by one goal: to empower you with the skills, knowledge and experiences necessary to thrive in your chosen field.

You are now part of a global network of Fanshawe graduates who are working to contribute to their communities around the corner and around the globe. We, and the entire Fanshawe community, are proud to share in your accomplishments as you, and those who have helped you get to this point, celebrate your important achievements today.

Congratulations again on your graduation and please accept my most sincere best wishes for your continued success as you embark on rewarding careers in your chosen fields.

**Michael Geraghty**

*Chair, Fanshawe College Board of Governors*

## Greetings from the Fanshawe Student Union

Dear graduates of Fanshawe College,

I stand before you today as the president of the Fanshawe Student Union, filled with pride and admiration for each and every one of you. Graduating from college is no small feat, and I want you to take a moment to truly appreciate the hard work, dedication, and resilience that has brought you to this moment.

The life of a student is not easy. Balancing academic responsibilities with work, volunteering, and everything else life throws at you can be a struggle, and I am sure you all experienced moments of doubt along the way. Yet here you are, standing tall, because you have conquered every hurdle that came your way. You have proven that you are capable of achieving greatness, and for that, you should be immensely proud of yourselves.

As you move forward from this moment, remember that the journey does not end here. This is just the beginning of a new chapter filled with endless possibilities and opportunities. Embrace the challenges that come your way and continue to push yourself to new heights, never forgetting all you learned here at Fanshawe.

Believe in yourself, trust in your abilities, and never lose sight of your dreams.

Congratulations, graduates. The world is waiting for your incredible talents.

You all have the potential to shine, and I have no doubt that each of you will go on to do amazing things.

Thank you for inspiring us all with your determination and perseverance. Now, go forth and conquer the world.

Congratulations, Class of 2024.

## Guest Speaker Biographies

### **Scott McFadzean**

President and CEO of London International Airport

*(Tuesday, November 5 at 10 a.m.)*

Born and raised in Brantford, Ontario, Scott McFadzean made his way to London to pursue a degree in Business and Commercial Aviation Management at Western University. His passion for aviation and business leadership has spanned more than two decades.

Following his graduation, Scott embarked on an impressive 20-year career at Diamond Aircraft Industries, where he played a key role in shaping the company's success. He served in various leadership capacities, including as Chief Operating Officer and ultimately as Chief Executive Officer, contributing significantly to the aviation industry and local economy.

In 2022, Scott took on another major leadership role as President and CEO of London International Airport, where he continues to advance the airport's strategic vision, making it a vital hub for both commerce and travel.

Scott's academic journey is equally remarkable. In addition to his undergraduate degree from Western University, he has earned two Master of Business Administration degrees—one from Georgetown University and another from ESADE Business School—and holds a Corporate Director Certificate from Harvard University.

His career, marked by innovation, leadership, and commitment to the growth of the London region, reflects the values and spirit we aim to inspire in our students.

## Guest Speaker Biographies

### **William Aaron (Ron) Burdock**

Director of Global Outreach at North Park Community Church

*(Tuesday, November 5 at 3 p.m.)*

For 25 years, Ron owned and operated a successful business here in London, establishing a solid foundation for a remarkable career of service. After taking early retirement, Ron shifted his focus to international efforts, using his expertise to bring economic renewal to underdeveloped countries.

His work as the Global Mentor for The Greater Cause Foundation and North Park Community Church has taken him across the world, where he has mentored young leaders to build sustainable businesses that not only provide economic stability but also empower communities.

Ron's dedication to mentoring is shared with his wife, Donna, who spent 35 years working for McCormick Canada (Club House Foods). Together, they continue to inspire and support the next generation of leaders in their journey toward making meaningful change.

## Guest Speaker Biographies

### **Tarique Al-Ansari**

Co-Founder and CEO, Paystone

*(Wednesday, November 6 at 10 a.m.)*

Tarique Al-Ansari, arrived in London, Ontario, 20 years ago as a landed immigrant with his family, pursuing his version of the Canadian dream. Tarique is one of those rare university dropout success stories, having studied software engineering at Western University for three years before embarking on an entrepreneurial journey.

Tarique's first startup—a local online food ordering and delivery business—gave him a firsthand look at the challenges small business owners face when accepting online payments. This insight inspired him to co-found his second startup, which evolved into Paystone, an electronic payment processing company, in 2009.

Under Tarique's leadership as CEO, Paystone has grown into Canada's largest bank-independent payment processing company, following a successful strategy that blended organic growth with mergers and acquisitions. Paystone's success has earned national recognition, and Tarique himself has been named one of London's Top 20 Under 40 and one of Canada's Top Emerging Leaders.

Notably, under Tarique's guidance, Paystone was named to Canada's prestigious Team True North—a roster of innovation companies with the highest potential to become billion-dollar businesses. Tarique's story is a testament to perseverance, visionary leadership, and the power of entrepreneurship to create lasting impact.

## Guest Speaker Biographies

### **Perry Broome**

Professor Emeritus, Lawrence Kinlin School of Business

*(Wednesday, November 6 at 3 p.m.)*

Perry Broome joined Fanshawe College in 1999 as a part-time professor in the Business program and transitioned to a full-time position in 2002. Over his 24-year tenure, he taught a wide range of courses, including Market Research, Consumer Behaviour, Ethics, and Creativity and Innovation in Business.

From 2007 to 2010, Perry served as program coordinator for Fanshawe's graduate marketing programs, where he contributed to integrating laptop technology and digital marketing techniques into the curriculum. He also played a role in developing and teaching courses for Fanshawe's Bachelor of Commerce degree programs and was a passionate supporter of the Ontario Colleges Marketing Competition, serving as both an organizer and coach.

In his final decade at Fanshawe, Perry concentrated on teaching and fostering creative thinking skills, developing curriculum that nurtured these skills and advocating for creative thinking within the college and the broader community. Before his academic career, Perry spent 18 years in various roles related to systems, finance, and investments at London Life, working in Ontario, Alberta, and Manitoba.

He holds a Bachelor of Arts (Honors) in Business from Western University's Richard Ivey School of Business, an MBA from Wilfrid Laurier University, and an MSc in Creativity and Change Leadership from SUNY Buffalo State University. Perry has also been an active community member, serving on the board of the London Small Business Centre, Big Brothers London, the London Chamber of Commerce's Small Business Resource Committee, and the Canadian Homebuilders' Association's Economic Research Committee.

Throughout his career, he demonstrated a genuine commitment to his students' success, helping them navigate their paths at Fanshawe and beyond. In retirement, he plans to continue his advocacy and support for the college and its community.

## Guest Speaker Biographies

**Rumina Morris**  
Executive Director,  
Office of Inclusion and Social Accountability at LHSC

*(Thursday, November 7 at 10 a.m.)*

Rumina Morris exemplifies this through her leadership and unwavering commitment to social justice. With over 20 years of experience managing diverse teams in the human services sector, Rumina has emerged as a leading practitioner in Anti-Racism, Anti-Oppression, Equity, and Inclusion. She currently serves as the Executive Director, Office of Inclusion and Social Accountability at London Health Sciences Centre, where her work continues to drive systemic change.

Among her many achievements, Rumina played a pivotal role in developing the City of London's Action Plan to Disrupt Islamophobia and its Anti-Racism and Anti-Oppression Framework. These tools have become vital in dismantling systemic barriers and fostering more inclusive communities.

Rumina's expertise lies not only in advocating for equity but in turning principles into actionable strategies that result in measurable change. She has become a trusted advisor to organizations seeking to move beyond awareness and create lasting, sustainable transformation.

Her leadership platform is built on amplifying marginalized voices, confronting inequities, and fostering a culture of critical self-reflection. Rumina's dynamic approach has helped countless individuals and organizations address unconscious biases and build cultures of true inclusion.

# Fanshawe College Gonfalons

Gonfalons – crested, symbolic banners – have been a part of various religious, military and community ceremonies for centuries. Fanshawe’s gonfalons pay homage to this time-honoured tradition, while providing visual identities for each of our academic schools. They were designed and created by members of the London Embroiderers’ Guild.

**Applied Sciences and Technologies** A river dominates this banner, symbolizing not only the natural basis for all science, but a unifying flow between the different areas of science and technology. Manufacturing, electrical technology and biotechnology are represented by a gear, a transistor and a microscope. The small symbols in the river point to weather, physics, ecology, biology and chemistry, all of which are vital components of the science and technology programs at Fanshawe.

**Arts and Culture** This gonfalon was designed to incorporate various aspects of art and culture, including music, dance, fine art, theatre and literature. The score and piano keys represent music (the notation is for “O Canada” – a reference to Fanshawe’s geography). The book represents literature and sketching, as well as collecting ideas as part of the creative process. The pens, paintbrushes and script all refer to various artistic disciplines. The figure at the bottom is in movement, suggesting dance in all of its forms.

**Building Technology** This gonfalon depicts a series of buildings against a waterfront skyline with a crane hoisting a load of material toward a roof. In the foreground, a bridge spans a body of water. Much of the construction, building and planning is implied in the images. The gonfalon has been executed in a manner not unlike the construction process: i.e. planning and consultation, developing a mock-up, then execution by groups or individuals with different skills, the use of both hand work and machine work using traditional and modern materials.

The back of the banner is a partially constructed brick wall – a familiar construction material and method, particularly in Eastern Canada.

**Business and Management** The Business and Management gonfalon features two hands engaged in a handshake over a globe. The handshake is a symbol of cooperation, while the globe represents the international nature of modern trade. Together, they suggest economic interdependence, as well as the importance of sharing resources. The banner is lined around the outside with symbols of modern currencies, including the pound, the kronor, the rial, the euro, the rupee, the dollar, the shekel, the won, the guilder, the baht, the tugrik and the yen.

**Community Studies** This gonfalon is built around the image of the tree of life. It is surrounded by people of all ages, holding hands in a gesture of support and cooperation. The people form the shape of a heart, which symbolizes caring, compassion and self-awareness. There is also a heart among the shapes in the tree. It is joined by an open book for learning, a helping hand, an apple for good health and a butterfly representing transformation, all of which form the foundation of Human Services.

**Contemporary Media** Fanshawe’s location is marked with a star on the globe and is surrounded by bolts of energy, symbolizing broadcasting. The piece is united by a roll of film that winds around icons signifying different branches of the arts, including a camera, a paintbrush, the @ symbol, a theatrical mask and a treble clef. Together, the symbols represent Fanshawe’s focus on all types of traditional and modern media.

## Fanshawe College Gonfalons

**Design** This design is based on one of the most perfectly proportioned and visually beautiful creatures of nature... the nautilus sea shell. The ratios of its chambers are the same ratios seen in countless examples of nature's works and man-made art. Called the Golden Mean, this mathematical wonder is one of design fundamentals that creates beauty, harmony and symmetry. The students of the School of Design strive to ensure all design work they create embrace these essential qualities that enhance all aspects of our lives.

**Health Sciences** The principle feature of the Health Sciences gonfalon is the staff of Asclepius, which is the universal symbol of medicine and the healing arts. It is accompanied by several smaller symbols: the Star of Life, representing paramedics and emergency services; an intertwined delta omicron, representing dentistry; a mortar and pestle, representing pharmacy; two stylized human figures, representing good physical and mental health; and an atom, representing nuclear medicine.

**Information Technology** This gonfalon expresses movement, dynamism and the human element of modern information technology. The silhouettes of four people on the globe represent those who both work in this field and benefit from the continuously evolving technologies. The large @ symbol is instantly recognizable for the movement of electronic information and a bronze tail encircling the globe signifies the rapid and efficient movement of information. Binary code on the tail reminds the viewer about the deceptively simple encoding of information and the bronze silk reflects the copper coloured metals and wires that form the hardware inside computers.

**Nursing** The Nursing gonfalon draws its design inspiration from the stained glass window in the School of Nursing lounge. It has two main symbols: the lamp and the books. The books represent learning – the deep and sturdy foundation that supports the modern nurse. The flame coming out of the lamp invokes the nurse's comforting, life-giving spirit and suggests reaching higher. The hand and heart inside the flame represents the caring and helping of others. The lamp is a tribute to Florence Nightingale, known as the 'The Lady with the Lamp' due to her habit of making her nursing rounds at night. Her compassion and commitment to patient care laid the foundation for nursing as a profession.

**Tourism and Hospitality** The globe is a central feature of the Tourism and Hospitality gonfalon. Along with the airplane, it signifies not only travel, but the exciting opportunities that exist around the world for tourism and hospitality graduates. The three figures at the bottom represent culinary arts, management and leadership – qualities associated with graduates of food and nutrition, recreation and hotel management programs.

**Transportation Technology and Apprenticeship** The gears on this banner bring together highways, cars and trucks, a tractor, a service centre and students, all of which are central to motive power at Fanshawe. The circular arrangement also suggests both movement and progress, but while technology drives the program, people are at its centre. That lesson – working with and serving people – is the foundation on which Fanshawe's Transportation Technology programs are built.

## Academic Dress

Academic regalia are the items of traditional dress for academic settings, worn by a graduate to show their academic achievement. The wearer has been “admitted to scholarship” – that is, they have been granted a certificate, diploma or degree.

In the past, academic regalia were worn at an institution on a daily basis, but these days, such dress is only seen at graduation ceremonies. Each institution has its own distinctive look, generally consisting of a gown, occasionally a hat (cap, bonnet or mortar board), and a hood, liripipe or scarf, often to identify the branch of knowledge in which the wearer has achieved recognition.

At Fanshawe College, graduating students (“graduands”) wear red gowns and receive either a distinctive red scarf with a white border (when graduating with a diploma or certificate), or a black hood with white chevrons on a red background (when graduating with a degree). Anyone who is a Fanshawe graduate may wear a black gown and the appropriate Fanshawe scarf or hood.

Today you may see other gowns, headgear, and hoods or scarves. Our guests, faculty and staff are encouraged to display with pride the academic regalia for their institution and credential.

## Lyrics of “O Canada”

O Canada!

Our home and native land!

True patriot love in all of us command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.
