President's Convocation Message

My sincere congratulations to our 2026 graduates – today is your day! Education is a team effort that takes perseverance and hard work. Today's celebration belongs to everyone, including the family and friends who supported you throughout your college career. We are all very proud of your significant accomplishment.

At Fanshawe, we strive to transform potential into impact and provide students with pathways to success. Your Fanshawe credential will provide you with many career opportunities and a bright future. Be proud of your achievements and stay motivated by setting new goals for yourself. I urge you to apply your diverse skills and knowledge to help make a difference in the world.

You have reached an important milestone in your life's journey. I hope you will remember the rich connections made with caring faculty and staff, who positively influenced your pathway to success. I encourage you to stay in touch with your Fanshawe family. Our dynamic Alumni Association will keep you informed about news and events about our students, campuses and alumni and allow us to share in all of your accomplishments as you move into the workforce.

Once again, congratulations!

Peter Devlin
President, Fanshawe College

Greetings from Fanshawe Board of Governors

On behalf of the Fanshawe College Board of Governors, I want to extend my heartfelt congratulations to each of you on your accomplishment.

Today, you celebrate the culmination of years of hard work, perseverance and dedication. You've met the challenges and embraced the opportunities that have come your way, and for that, we are incredibly proud.

From overseeing program development to ensuring financial sustainability, the Board of Governors works diligently behind the scenes to play a key role in guiding the strategic direction of the College.

We work closely with the leadership team to ensure that the resources, facilities and partnerships that support your education are in place. Our efforts are driven by one goal: to empower you with the skills, knowledge and experiences necessary to thrive in your chosen field.

You are now part of a global network of Fanshawe graduates who are working to contribute to their communities around the corner and around the globe. We, and the entire Fanshawe community, are proud to share in your accomplishments as you, and those who have helped you get to this point, celebrate your important achievements today.

Congratulations again on your graduation and please accept my most sincere best wishes for your continued success as you embark on rewarding careers in your chosen fields.

Sandy Jansen

Chair, Fanshawe College Board of Governors

Greetings from the Fanshawe Student Union

To the graduating class of 2026, congratulations!

This year has not been easy. Across Canada, many students have felt the pressure of rising costs, uncertainty, balancing school with work, supporting family and still trying to figure out what the future looks like. For a lot of us, success didn't come comfortably; it came through sacrifices, running on coffee, stress and pure determination.

What inspires me most is not only that students earned diplomas and degrees, but also everything they did outside of the classroom too. Students volunteered in the community, competed in business challenges, built incredible engineering projects, represented our school through varsity sports and esports, led FSU clubs and events and supported one another through difficult times. This shows leadership. It shows heart. It shows that this generation is stronger than people give it credit for.

As Fanshawe Student Union President, I've had the privilege of meeting students from all backgrounds with different stories, different struggles and different dreams. The one thing that remains common is this: we refused to quit. That is the energy I want everyone to carry moving forward.

Not fear. Not doubt. Not "maybe I can't." But confidence.

No matter where life takes you next, whether it's your career, further education, entrepreneurship or chasing dreams, never underestimate your ability to adapt, grow and succeed.

Today, celebrate yourself. Fully. No minimizing it. No 'I just got lucky.' No 'it was nothing.' No. You earned this. It's a flex, so let's celebrate it loudly. This is your moment!

Once again, congratulations, class of 2026.

Michael DeLorenzi

Monday, June 15 at 10 a.m.

Michael DeLorenzi is a Canadian entrepreneur and business leader based in London, Ontario. He is the Co-Founder and CEO of Protein Candy, one of the world's fastest-growing functional snack brands, where he has led the company's rapid expansion across major retailers and distribution channels throughout North America. He also previously helped build and scale Pulp & Press, a leading wellness brand known for its organic cold-pressed juices, smoothies and functional health products.

Michael is the founder and past President of Northern Commerce, a digital commerce agency he started in London and grew into one of Canada's leading commerce consultancies, working with major brands and organizations across North America before the company's acquisition in 2024 by a Canadian private equity firm.

Over the course of his career, Michael has built businesses across the technology, wellness and consumer packaged goods sectors, with a focus on innovation, entrepreneurship and creating brands that challenge traditional industries. He is passionate about helping grow the next generation of Canadian businesses and believes strongly in the importance of leadership, resilience and community impact.

In addition to his entrepreneurial work, Michael has been actively involved in community and charitable initiatives throughout London. He previously served as Chair of the Board for the Humane Society London & Middlesex, supporting animal welfare and advocacy initiatives across the region.

Jeff Macoun

Monday, June 15 at 3 p.m.

Jeff Macoun is a passionate community leader and a trusted, collaborative business advisor. He views each day as an opportunity to connect, be curious, learn from others and give back. Whether he's lending a hand or an ear to listen, Jeff is driven by strengthening relationships, businesses and communities. He thrives on supporting his hometown of London, Ontario and nurturing business connections across Canada and the globe.

Jeff's curious, strategic and philanthropic nature has been a magnet for getting involved in new business ventures or causes dear to him. He's an active member of many community boards, including the Co-Chair of the Community Fundraising Team for Health & Homelessness Movement (Fund for Change), and has recently launched his own consulting business, JMacoun Consulting Inc.

Jeff has received several distinguished recognitions for his philanthropic commitments, including a Queen Elizabeth II Diamond Jubilee Medal and a Governor General's Caring Canadian Award. He was also inducted into the London and District Business Hall of Fame in 2019. For over 40 years, Jeff's vibrant career at Canada Life made a difference in so many lives. While he was President and Chief Operating Officer, Canada Life, Jeff led over 11,000 employees across the country. His unwavering focus was to improve the financial, physical and mental well-being of Canadians through access to advice and support, including insurance and wealth management services.

Doug Ellison

Tuesday, June 16 at 10 a.m.

Doug Ellison spent 14 years teaching high school before founding Ellison Travel & Tours in 1980. It was in those classrooms — and on the school trips he organized for his students — that two passions quietly converged: education and travel. Starting with just two employees in Exeter, Ontario, he built something that would last.

Over more than four decades, Doug grew Ellison Travel into one of Canada's most respected independent travel companies, expanding to multiple locations across Ontario and British Columbia with a team of over 100 travel professionals. A particular area of pride was performing arts and student travel — Ellison became the appointed travel provider for MusicFest Canada, and Con Brio Festivals and was recognized twice as the top Carlson Wagonlit Travel office in Canada.

Away from the office, Doug gave back steadily, serving as president of the local Lions Club, executive director of the Western Ontario Athletic Association and president of the Student and Youth Travel Association, among many other community roles over the years. A longtime champion of the local business community, he understood that strong businesses make strong communities. That same spirit carried into his personal commitments, the Terry Fox Run — a cause he has supported wholeheartedly with the Ellison team for years.

In 2021, Doug passed the business to the next generation: his daughter Marcie Ellison Outerbridge and his stepdaughter, Michelle, and her husband, Paulo Branco. Ellison Travel & Tours, now in its 46th year, is perhaps the best reflection of what Doug started: a business rooted in the belief that travel, like education, has the power to broaden horizons.

Mandi Fields

Tuesday, June 16 at 3 p.m.

With over 16 years in the media, Mandi Fields is an ambitious, creative and results-driven changemaker! Her work advances equity, dignity and community well-being. An accomplished community leader, public speaker and strategist based in Southwestern Ontario, she has spent more than 30 years building grassroots and national initiatives that create lasting social impact.

Mandi is the founder of Tampon Tuesday, established in 2009, a pioneering movement addressing period poverty and helping restore dignity for women and girls. Now spanning communities across North America, the initiative has received widespread recognition for its impact. She is also the creator of Fields to Forks, a national campaign that shines a spotlight on Canadian agriculture and food systems, and co-creator of The Imagine Build, a housing initiative supporting the Oneida Nation of the Thames.

Her work is deeply rooted in collaboration and reconciliation, including projects that strengthen community partnerships and foster cultural awareness, especially amplifying Indigenous voices. Professionally, Mandi leads strategic partnerships at CMHA Thames Valley Addiction and Mental Health Services, supporting purpose-driven initiatives in mental health and community care.

Mandi's contributions have been recognized locally, provincially and nationally with numerous honours, including: the Distinctive Londoner Mayor's Honour Roll from the City of London; the National Change Maker Award from United Way for Tampon Tuesday; the 2016 Leading Women, Building Communities Recognition Certificate; and designation as a Distinctive Alumna of Brescia University College. Most recently, the Rotary Foundation of Rotary International honoured Mandi with the Paul Harris Fellow Award, which acknowledges the better understanding and friendly relations of people of the world.

William Pol

Wednesday, June 17 at 10 a.m.

William Pol joined Fanshawe College in 2011 as a professor in the School of Design teaching a variety of land use planning/design courses in the Honours Bachelor of Environmental Design and Planning degree, GIS and Urban Planning diploma and Landscape Design diploma programs for fourteen years. Beginning in 2015, William became the Coordinator for the School's Urban Design Charettes, Environmental Design Competitions and field trips. Competition responsibilities included developing design themes, inviting students from across Canada, organizing presentations and hosting professional adjudicators. He created experiential learning opportunities by organizing and leading field trips to major North American and European cities. These activities provided opportunities to integrate classroom learning, skills and knowledge, with real-life design ideas and solutions.

In 2018 he co-founded the Urban 360° Lab at Fanshawe College for summer students to undertake land use design and mapping projects for community organizations. Examples include tiny home projects, Project Tiny Hope for single mothers in St. Thomas and Homes for Heroes for unhoused veterans in London.

At the College, he participated in the Fanshawe College Master Plan Advisory Committee 2022-24 and promoted sustainable development initiatives across the campus such as the London Campus rapid transit terminal. In 2023 William led an on-campus tulip planting initiative by partnering students from the Horticulture program with the Dutch community to commemorate the Canadian Military Liberation of the Netherlands.

Before joining Fanshawe College, William was a professional land use planner for more than 30 years, at the City of Peterborough, City of London, Province of Ontario and several land use consulting firms. He holds a Master of Arts, Public Administration from Western University and a Bachelor of Applied Arts, Urban and Regional Planning from Toronto Metropolitan University. He is an active member of the Canadian Institute of Planners and the Ontario Professional Planners Institute.

By creating curiosity and excitement for planning and design, he unlocked students' potential on their journeys to success. In retirement, he will continue practicing land use planning, volunteer with community organizations and travel with his wife.

Jen Cowdrey

Wednesday, June 17 at 3 p.m.

Fanshawe College alumna Jen Cowdrey is a respected leader, innovator and passionate advocate for women in skilled trades and engineering. She graduated from Fanshawe College in 2009 from the Motive Power Technician program and again in 2011 from the Mechanical Engineering Technician program. She continued her education at Athabasca University, earning her Bachelor of Management degree in 2018.

Jen dedicated 15 years to General Motors CAMI Assembly as a manufacturing engineer, where she excelled in 10 diverse and multi-functional roles. Known for her innovative mindset and collaborative leadership, she consistently contributed to operational excellence while supporting the growth and development of those around her.

Beyond her professional achievements, Jen has volunteered as an apprenticeship representative, mentoring and guiding prospective apprentices entering the skilled trades. She has also spent years partnering with local high schools, universities and Fanshawe College to empower and inspire young women to pursue careers in the trades and engineering. Through her leadership, innovation and dedication to mentorship, Jen continues to make a meaningful impact on future generations of skilled professionals.

Dr. Roy Butler

Thursday, June 18 at 10 a.m.

President and Chief Executive Officer of St. Joseph's Health Care London since August 2021, Roy is a collaborative and engaging servant leader who is building upon the organization's illustrious legacy of care, research and teaching to shape the future of health care and redefine what it means to be a health care provider.

At the helm of one of Canada's most innovative, multi-site health care centres, Roy is committed to partnerships with patients, residents, caregivers, health care partners and diverse community organizations to enhance care and well-being within the walls of St. Joseph's and beyond. He applies a visionary and expansive approach to achieving excellence that encompasses a dedication to the economic and social health of our community by addressing disparities and breaking down barriers.

Roy continually seeks and fosters unique opportunities that expand the impact of St. Joseph's including: partnering to establish an Indigenous-led hub on the grounds of St. Joseph's Parkwood Institute as part of their leadership in a system-wide response in London to health and homelessness; becoming the first hospital in Southwestern Ontario to align its investments with its values through social impact investing; and participating in a National Nourish Collaborative that is harnessing the power of food to address health for people and the planet.

Focused on uncompromising quality and safety, Roy has guided St. Joseph's to the highest designation of Accreditation with Exemplary Standing awarded by Accreditation Canada, extending an achievement the organization has sustained for 16 consecutive years.

He has been instrumental in establishing St. Joseph's as a leader in discovery and knowledge translation that is distinguishing St. Joseph's on the global stage. In particular, pioneering advancements in molecular imaging and theranostics, mobility and activity, healthy aging, mental health, surgery innovations and ground-breaking exploration of the human microbiome are driving forward science and revolutionizing care.

Roy has been a member of the St. Joseph's family for over 25 years, including 15 years providing executive leadership. With a deep-seated conviction in the organization's values of respect, excellence and compassion, he is dedicated to ensuring these principles and a culture of caring are hardwired across the workforce, at all levels and in every program and service.

Roy holds a Bachelor of Science in Physical Therapy from Queen's University and a PhD in Epidemiology and Biostatistics from Western University.

As a volunteer in support of his community and the broader health care sector, Roy is currently Chair of the Board of the Directors of the Ontario Clinical Imaging Network, and is a Board member of the London Economic Development Corporation and the Catholic Health Association of Ontario.

Katherine Dann

Thursday, June 18 at 3 p.m.

Katherine Dann is an Inspector with the London Police Service (LPS), currently serving in the Corporate Support and Continuous Improvement branch within the Corporate Services division. In this leadership role, she provides direction and oversight for initiatives that strengthen organizational performance, enhance service delivery and advance evidence-based policing.

A 2004 graduate of the Police Foundations program at Fanshawe College, Katherine began her career with the LPS that same year as a cadet. Over the last 22 years, she has served in a variety of areas, including Uniformed Patrol, Major Case Management, Special Projects within the Major Crime section and the Sexual Assault and Child Abuse section. Among her proudest achievements is her integral role in helping establish London's first Child and Youth Advocacy Centre. Beacon House CYAC provides a safe, child-friendly environment where young victims of abuse and neglect can share their experiences with police and child welfare professionals while receiving coordinated wraparound supports. Katherine is passionate about improving service delivery for victims and survivors of sexual violence and intimate partner violence. She is inspired by the remarkable women and men she works alongside and enjoys supporting the growth and development of other women within the organization.

In addition to her professional accomplishments, Katherine is a proud mother of two children, Emily and James, and shares her life with her husband, Jeremy, who also serves with the LPS.

Fanshawe College Gonfalons

Gonfalons – crested, symbolic banners – have been a part of various religious, military and community ceremonies for centuries. Fanshawe’s gonfalons pay homage to this time-honoured tradition, while providing visual identities for each of our academic schools. They were designed and created by members of the London Embroiderers’ Guild.

Applied Sciences and Technologies A river dominates this banner, symbolizing not only the natural basis for all science, but a unifying flow between the different areas of science and technology. Manufacturing, electrical technology and biotechnology are represented by a gear, a transistor and a microscope. The small symbols in the river point to weather, physics, ecology, biology and chemistry, all of which are vital components of the science and technology programs at Fanshawe.

Arts and Culture This gonfalon was designed to incorporate various aspects of art and culture, including music, dance, fine art, theatre and literature. The score and piano keys represent music (the notation is for “O Canada” – a reference to Fanshawe’s geography). The book represents literature and sketching, as well as collecting ideas as part of the creative process. The pens, paintbrushes and script all refer to various artistic disciplines. The figure at the bottom is in movement, suggesting dance in all of its forms.

Building Technology This gonfalon depicts a series of buildings against a waterfront skyline with a crane hoisting a load of material toward a roof. In the foreground, a bridge spans a body of water. Much of the construction, building and planning is implied in the images. The gonfalon has been executed in a manner not unlike the construction process: i.e. planning and consultation, developing a mock-up, then execution by groups or individuals with different skills, the use of both hand work and machine work using traditional and modern materials.

The back of the banner is a partially constructed brick wall, a familiar construction material and method, particularly in Eastern Canada.

Business and Management The Business and Management gonfalon features two hands engaged in a handshake over a globe. The handshake is a symbol of cooperation, while the globe represents the international nature of modern trade. Together, they suggest economic interdependence, as well as the importance of sharing resources. The banner is lined around the outside with symbols of modern currencies, including the pound, the kronor, the rial, the euro, the rupee, the dollar, the shekel, the won, the guilder, the baht, the tugrik and the yen.

Community Studies This gonfalon is built around the image of the tree of life. It is surrounded by people of all ages, holding hands in a gesture of support and cooperation. The people form the shape of a heart, which symbolizes caring, compassion and self-awareness. There is also a heart among the shapes in the tree. It is joined by an open book for learning, a helping hand, an apple for good health and a butterfly representing transformation, all of which form the foundation of Human Services.

Contemporary Media Fanshawe’s location is marked with a star on the globe and is surrounded by bolts of energy, symbolizing broadcasting. The piece is united by a roll of film that winds around icons signifying different branches of the arts, including a camera, a paintbrush, the @ symbol, a theatrical mask and a treble clef. Together, the symbols represent Fanshawe’s focus on all types of traditional and modern media.

Fanshawe College Gonfalons

Design This design is based on one of the most perfectly proportioned and visually beautiful creatures of nature: the nautilus sea shell. The ratios of its chambers are the same ratios seen in countless examples of nature's works and man-made art. Called the Golden Mean, this mathematical wonder is one of design fundamentals that creates beauty, harmony and symmetry. The students of the School of Design strive to ensure all design work they create embraces these essential qualities that enhance all aspects of our lives.

Health Sciences The principle feature of the Health Sciences gonfalon is the staff of Asclepius, which is the universal symbol of medicine and the healing arts. It is accompanied by several smaller symbols: the Star of Life, representing paramedics and emergency services; an intertwined delta omicron, representing dentistry; a mortar and pestle, representing pharmacy; two stylized human figures, representing good physical and mental health; and an atom, representing nuclear medicine.

Information Technology This gonfalon expresses movement, dynamism and the human element of modern information technology. The silhouettes of four people on the globe represent those who both work in this field and benefit from the continuously evolving technologies. The large @ symbol is instantly recognizable for the movement of electronic information and a bronze tail encircling the globe signifies the rapid and efficient movement of information. Binary code on the tail reminds the viewer about the deceptively simple encoding of information and the bronze silk reflects the copper coloured metals and wires that form the hardware inside computers.

Nursing The Nursing gonfalon draws its design inspiration from the stained glass window in the School of Nursing lounge. It has two main symbols: the lamp and the books. The books represent learning – the deep and sturdy foundation that supports the modern nurse. The flame coming out of the lamp invokes the nurse's comforting, life-giving spirit and suggests reaching higher. The hand and heart inside the flame represents the caring and helping of others. The lamp is a tribute to Florence Nightingale, known as the 'The Lady with the Lamp' due to her habit of making her nursing rounds at night. Her compassion and commitment to patient care laid the foundation for nursing as a profession.

Tourism and Hospitality The globe is a central feature of the Tourism and Hospitality gonfalon. Along with the airplane, it signifies not only travel, but the exciting opportunities that exist around the world for tourism and hospitality graduates. The three figures at the bottom represent culinary arts, management and leadership – qualities associated with graduates of food and nutrition, recreation and hotel management programs.

Transportation Technology and Apprenticeship The gears on this banner bring together highways, cars and trucks, a tractor, a service centre and students, all of which are central to motive power at Fanshawe. The circular arrangement also suggests both movement and progress, but while technology drives the program, people are at its centre. That lesson – working with and serving people – is the foundation on which Fanshawe's Transportation Technology programs are built.

Academic Dress

Academic regalia are the items of traditional dress for academic settings, worn by a graduate to show their academic achievement. The wearer has been “admitted to scholarship” – that is, they have been granted a certificate, diploma or degree.

In the past, academic regalia were worn at an institution on a daily basis, but these days, such dress is only seen at ceremonies. Each institution has its own distinctive look, generally consisting of a gown, occasionally a hat (cap, bonnet or mortar board), and a hood, liripipe or scarf, often to identify the branch of knowledge in which the wearer has achieved recognition.

At Fanshawe College, graduating students (“graduands”) wear red gowns and receive either a distinctive red scarf with a white border (when graduating with a diploma or certificate), or a black hood with white chevrons on a red background (when graduating with a degree). Anyone who is a Fanshawe graduate may wear a black gown and the appropriate Fanshawe scarf or hood.

Today you may see other gowns, headwear, and hoods or scarves. Our guests, faculty and staff are encouraged to display with pride the academic regalia for their institution and credential.

Appointment as Emeritus

The Emeritus distinction is bestowed upon a limited number of retired employees who have made an exceptional contribution to Fanshawe College and are expected to continue their advocacy and contribution into retirement. Derived from a Latin term meaning “earned by service”, Emeritus is an honorary title awarded by the President to recognize a significant, lasting impact on students and the College community. This designation honours exemplary service and performance throughout a career distinguished by excellence in teaching or institutional development and a demonstrated commitment to equity, diversity and inclusion. It also reflects the College’s confidence that recipients will remain valued ambassadors of Fanshawe in the future.

Fanshawe College Post-Secondary Awards

Dean's Academic Award

This award is presented to full-time or part-time students who have achieved the highest academic standing upon completion of a certificate, diploma or degree program during the previous academic year.

Dr. Howard Rundle Academic Award

The Dr. Howard Rundle Academic Award is presented on an annual basis to a full-time post-secondary diploma, degree or graduate certificate program student who has achieved a significant academic standard while demonstrating excellence in leadership through involvement in Fanshawe College campus life.

Fanshawe College Distinguished Student Award

The Fanshawe College Distinguished Student Award is presented on an annual basis to full-time post-secondary diploma, degree or post-graduate certificate program students representing each of the following areas of study: business, community services, creative arts and design, health sciences and technology.

Award recipients must have demonstrated academic success while demonstrating a significant contribution to college life or to the community, displaying a real commitment to others.

Governor General's Academic Medal

For nearly 150 years, the Governor General's Academic Medals have recognized the outstanding scholastic achievements of students in Canada. They are awarded on behalf of the Governor General to the student graduating with the highest average.

Harry Rawson Award

The Harry Rawson Award is presented on an annual basis to a full-time post-secondary diploma, degree or post-graduate certificate program graduate.

The recipient will have achieved academic success while demonstrating extraordinary ability in communication and/or interpersonal skills within the Fanshawe College community.

Mary Ann Darling Memorial Alumni Award

The Mary Ann Darling Memorial Alumni Award is presented on an annual basis to a full-time graduating student who has achieved academic success while demonstrating a caring attitude and volunteer work above and beyond the requirements of their program.

President's Prize

The President's Prize is presented on an annual basis to a full-time post-secondary diploma, degree or graduate certificate program student who has achieved a significant academic standard while making a meaningful contribution to campus life.

R.C. Hamilton Award

The R.C. Hamilton Award is presented on an annual basis to a full-time post-secondary diploma, degree, apprenticeship or graduate certificate program student who has demonstrated a significant contribution to enrich student life through leadership activities with a resulting enhancement of Fanshawe College.

Lyrics of “O Canada”

O Canada!

Our home and native land!

True patriot love in all of us command.

With glowing hearts we see thee rise,

The True North strong and free!

From far and wide,

O Canada, we stand on guard for thee.

God keep our land glorious and free!

O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

CONGRATULATIONS!
