## Section A: Medical Requirements – Mandatory

### Instructions for Physician/Nurse Practitioner/ Registered Nurse: Please read carefully

Thank you for your cooperation with the immunization process for our student registered in this program. For the protection of students, patients and external clients, students must provide documented proof of immunization. Immunization requirements listed before each section follow the standards outlined in the Canadian Immunization Guide, Evergreen Edition, Part 4, Active Vaccines (2012), the Canadian Tuberculosis Standards (2007) and the OHA/OMA Ontario Hospitals Communicable Disease Surveillance Protocols. The required information with exact dates (yy/mm/dd) and signature for each requirement must be recorded directly on this Clinical Pre-placement Health Form in the shaded areas provided. Please also provide an attesting signature at the end of the form. Failure to complete in its entirety and submit this form by the required deadline, will exclude student from their clinical/field placement.

**Please ensure you have reviewed, completed and signed the required shaded areas in Section A.**

## Tuberculosis Screening

### Instructions:

If student has had previous proof of a negative Step-Two, any subsequent Tuberculosis skin testing (TST) can be one step, regardless of how long it has been since the last TST. Student who have received a BCG vaccination are **not exempt** from Mantoux testing. Pregnancy is **NOT** a contraindication for performance of a Mantoux skin test.

Mantoux testing must be completed prior to the administration of any live vaccines (i.e. MMR, IPV) **OR** defer skin testing for 4 to 6 weeks after the vaccine is given.

For any student who tests positive for the first time:

- a. Include results from the positive Mantoux screening (mm of induration).
- b. Complete assessment and document on form if the student is clear of signs and symptoms of active TB.
- c. The responsibility for follow up lies with the health care provider as per the OHA/OMA Communicable Disease Surveillance Protocols.

## Section B: Other Medical Requirements

### Influenza: Strongly Recommended

#### Instructions:

**Influenza Vaccination (Flu Shot): Vaccine Only Available During Flu Season (October/November).** All Students are encouraged to protect themselves with annual influenza immunization. Students who have not received the vaccination may be removed from clinical placement as some of our placement partners may require that students receive influenza immunization and show proof especially if there is an outbreak. **In the event of an outbreak at your placement, any student without the vaccination may be denied access to the facility thereby jeopardizing successful completion of the clinical course. Proof of flu vaccine can be scanned and emailed to ParaMed.**

#### **For Student to Sign only when they choose to NOT receive the flu vaccine: Influenza Waiver**

Students who choose not to have the annual influenza vaccine for medical or personal reasons must sign below to acknowledge their awareness of susceptibility to the disease and of the implications for clinical placement and lost time. Students must provide consent for the school to communicate their influenza immunization status to the clinical agency in which they are placed. I understand that the Academic Program encourages students to have an annual influenza vaccine. I have selected to waive this immunization based on medical and/or personal reasons. I am aware that I may be susceptible to influenza and I understand that I may not be eligible to attend clinical placement. I consent to have my program communicate my influenza status to clinical agencies.
