

Fanshawe College and Western University International Student Application

How to apply for Conditional Letter:

To qualify for entry to Western University through the Fanshawe College (Fanshawe) EAP (English for Academic Purposes) program, you must meet the academic requirements for the degree program to which you have applied and must complete EAP level 10 at Fanshawe College with an A in each component. In order to receive conditional admission from Western you must submit original transcripts and certified English translations, if required, with this application. See part 6 for further information.

If you are academically admissible to Western through this process, you will receive two letters: one admission letter from Fanshawe for the EAP program and one conditional letter of admission from Western indicating that a place is reserved for you beginning in the academic year indicated on your letter. Upon notification, you will also be required to submit a formal application to Western through the Ontario Universities' Application Centre (OUAC), however, you will not be required to submit further transcripts. †Please note: Pre-admission is not available for the MOS program for Ontario high school and university transfer applicants.
