

WHAT TO BRING TO RESIDENCE

So you are starting to think about what you are going to be bringing to Residence? Let us help you out, so you don't forget anything! You're welcome to visit Residence to see how much space you will have, and see exactly what you will need to make Residence home for eight months.

Leave these things at home:

X Personal Bar Fridges or Freezers

Please do not bring a refrigerator or freezer of any size. Only those provided by the Residence through Coldex are permitted for health and safety reasons. You can book your bar fridge here: <http://www.coldexrents.com/>

X Hot Plates

Please do not bring hot plates, or any appliance with an open heat source. Only CSA approved appliances with an automatic shut off feature are allowed in Residence.

X Certain Kinds of Alcohol Containers

Please do not bring single-serve glass alcohol bottles, kegs, mini-kegs, or alcohol funnels.

X Burnable Items

Please do not bring candles, incense, or smoking devices like hookahs or bong.

You will need to bring:

✓ Linens

Your bed is a double-wide, queen-length bed, so either double sheets or queen sheets with fit. You will also need blankets, pillow, and comforter or duvet. You will need bath towels, hand towels, wash cloths.

✓ Work Space Supplies

You will need an alarm clock, computer, Ethernet cord, a desk lamp, binders, pens/pencils, stapler, paper, binders, three-hole punch and any program-specific supplies.

✓ Kitchen Supplies

You will need dish towels, dish cloths or sponges, dish soap, dish rack, garbage bags.

✓ Bathroom Supplies

You will need a shower curtain and rings, bath mat, personal hygiene items, toilet paper, hand soap.

✓ Laundry Supplies

You will need your clothes (for all weathers and seasons), a laundry basket or hamper, laundry soap, clothes hangers, and credit or debit to fill your laundry card.

✓ Cooking Supplies

You will need cutlery, dishes, glasses, cooking utensils, microwave safe dishes, storage containers, and if you plan on using the common area kitchen, pots and pans. We recommend toaster ovens, electric frying pans, kettles and coffee makers.

✓ Additional Supplies

Items you may want to consider: small fan, desk lamp, storage bins to fit under your bed, TV for your bedroom
